## World Asks What Is Russia Up to Now? Vandenberg Declares

Says Rival Ideologies Now Face Desperate Need of Mutual Understanding

Reports on U.N.O.

Calls for Foreign Policy as Firm as Russia's

(By JACK BELL)

Washington, Feb. 27 (AP)—Senator Vandenberg (R-Mich.) called today for a vigorously plain-spoken American foreign policy that will match Russia's in firmness.

Reporting to the Senate on his work as a delegate to the United Nations meeting in London, the chairman of the Republican Senatorial Conference told his colleagues that the world today is asking: "What is Russia up to now?"

Without attempting to answer that question specifically, Vandenberg said in a prepared address that upon the answer may depend the future fate of world affairs to keep the peace.

It would be entirely futile, the Michigan senator said, "to blink the fact that two great, rival ideologies—Democracy in the west and Communism in the east—here find themselves face to face with the desperate need for mutual understanding in finding common ground upon which to strive for peace for both."

U. S. Must Speak Plainly  
But he said the United States and Russia "can live together in reasonable harmony if the United States speaks as plainly upon all occasions as Russia does; if the United States just as vigorously sustains its own purposes and its ideals upon all occasions as Russia does; if we abandon the miserable fiction, often encouraged by our fellow travelers, that we somehow jeopardize the peace if our candor is as firm as Russia's always is; and if we assume a moral leadership which we have too frequently allowed to lapse."

Vandenberg added that "the situation calls for patience and good will, but not for vacillation." The United States, he said, can speak with extraordinary power against any of its neighbors anywhere on earth.

Line For Compromise  
"We need but one rule," he declared. "What is right? Where is justice? There let America take her stand."

Along with that, Vandenberg said the United States must make its plan "there is a line beyond which compromise cannot go."

"But how can we expect our alien friends to know where that line is?" he asked.

## Snow, Rain Make Streets Hazardous For Traffic Here

Despite Bad Traveling No Major Accidents Are Reported to City Police

A two-inch fall of snow Tuesday that started at 7:15 o'clock in the morning here, turned to hail and freezing rain later in the day, leaving the streets and sidewalks a glare of ice.

Despite the icy condition of the streets last night and this morning no automobile accidents were reported to the police.

The storm caused no interruption to the telephone and electric service in the city, according to the New York Telephone Co. and the Central Hudson Gas & Electric Corp.

So treacherous were the streets that the Board of Public Works started the sanding crews at work during Tuesday morning, and the crews worked all yesterday, last night and today, sanding the hills and slippery streets and intersections.

All traffic proceeded cautiously throughout the night and today, while pedestrians found it difficult to maintain a footing as they traversed the sidewalks in Kingston this morning.

Early yesterday morning the official city thermometer was recording 7 degrees, while at midnight the mercury had risen to 29 degrees.

It gradually grew colder during the early hours of today and at 8:30 o'clock the official thermometer was recording 19 degrees.

The two-inch snowfall yesterday brought the total fall of snow so far this month to 15 inches.

## New Secretary

Julius A. Krug (above), former War Production Board chairman, smiles at New York shortly after President Truman announced his appointment as Secretary of the Interior. Krug succeeded Harold L. Ickes, who resigned.

## Dark Horse Gets Ickes Old Post as Interior Secretary

Selection of J. A. Krug Is Supreme Move by Truman to Fill Important Job

By ERNEST B. VACCARO

Washington, Feb. 27 (AP)—President Truman showed Congress a fast political change of pace today by his choice of J. A. Krug as Secretary of the Interior—a nomination conceded speedy approval.

He also provided the lawmakers with something of a surprise for Krug, the 38-year-old former chief of the War Production Board, was the darkest of dark horses for the post. His name didn't enter into Capitol Hill calculations until the last minute.

The choice of a successor to Harold L. Ickes had Mr. Truman on a political spot, especially in view of the explosive nature of Ickes' departure from the cabinet. However, initial Capitol Hill reaction indicated a feeling that the Krug selection might do much to retrieve the situation.

Among White House intimates the nomination of Krug for the hot cabinet post which Ickes filled for 13 years was interpreted as Mr. Truman's way of serving notice upon some of the cabinet members that he is taking personal command in filling top administration jobs.

Mr. Truman went outside the ranks of his old and personal friends in picking Krug to join the cabinet. This prompted one long-time friend of the President to say Mr. Truman's action gave evidence of a new determination to ignore his inner circle whenever Continued on Page Eleven

## House Gets Billion Farm Bill; United States Must Cut on Food

President Truman Calls Hoover to Confer on Ways of Helping Out Overseas

Washington, Feb. 27 (AP)—President Truman said today American food consumption must be reduced to meet acute needs abroad and called former President Herbert Hoover and others to confer on the problem Friday.

The conference, Mr. Truman said, will be asked to work out "an aggressive voluntary program on the part of private citizens to reduce food consumption in this country."

He expressed his views in telegrams to those invited to the Friday meeting at 3 p. m., E.S.T. The telegrams said:

To Prevent Starvation  
"I am sure you are familiar with the acute need for food stuffs in the war-torn countries of Europe and Asia. Our national self-respect demands that we do all possible to stop the spread of famine."

"I have directed the agencies Continued on Page Nine

## Propose Stadium Name Be Changed To Honor Dietz

Lions Club Requests City to Honor Memory of Youth Who Won Cong. Medal

A move to perpetuate the memory of one of Kingston's outstanding heroes of World War II, Sergeant Robert H. Dietz, son of Herman O. Dietz of Abbey street, has been sponsored by the Kingston Lions Club.

The club proposes that the Kingston municipal stadium be renamed "The Sergeant Dietz Stadium," in recognition of the posthumous award to Sergeant Dietz of the coveted Congressional Medal of Honor.

The medal was awarded in ceremonies held at Governors Island a few months ago and was accepted by Mr. Dietz in behalf of his son.

The resolution to recommend action advocating the change of name was offered by Walter Donaruma at the meeting of the club on February 26 and was seconded by the Rev. Robert Schlenker and adopted unanimously. It reads as follows:

Whereas, Staff Sgt. Robert Dietz by his great and heroic conduct laid down his life for his country;

And whereas, Staff Sgt. Dietz has received the Congressional Medal of Honor posthumously in recognition of his great deeds and sacrifices;

Be it resolved that the Kingston Lions Club go on record as favoring that the name of the Municipal Stadium be changed and to be named "The Sgt. Dietz Stadium" in order that the name of this Kingston boy shall be perpetuated and that the memory of the exemplary conduct of Sgt. Robert Dietz shall live.

And be it further resolved that a copy of this resolution be sent to the mayor of the city of Kingston and that copies of this resolution be sent to the aldermen of the city of Kingston.

## Army General Gets Assistant Secretaryship

Washington, Feb. 27 (AP)—President Truman today named Maj. Gen. John H. Hildring an Assistant Secretary of State.

Hildring is director of the War Department's Civil Affairs Division.

White House Press Secretary Charles G. Ross, who told reporters Hildring's nomination is going to the Senate, did not disclose the exact nature of his assignment.

## Treasury Receipts

Washington, Feb. 27 (AP)—The position of the treasury February 25 receipts \$187,931,488.71. Expenditures \$128,323,578.37. Balance \$25,938,050,451.98. Customs receipts for month \$27,050,107.15. Receipts fiscal year July 1 \$26,828,559,960.13. Expenditures fiscal year \$46,269,664,904.76. Excess of expenditures \$19,441,104,944.63. Total debt \$279,563,019,553.45. Increase over previous day \$2,275,795.28. Gold assets \$20,233,462,682.55.

## House Gets Billion Farm Bill; United States Must Cut on Food

President Truman Calls Hoover to Confer on Ways of Helping Out Overseas

Washington, Feb. 27 (AP)—President Truman said today American food consumption must be reduced to meet acute needs abroad and called former President Herbert Hoover and others to confer on the problem Friday.

## Red Cross Speaker

Jeff Sparks, former nationally famous National Broadcasting Company announcer, will address the annual Red Cross Drive Fund rally, Thursday night at the Governor Clinton at 7:30 o'clock.

Sparks quit radio work at the start of the war and affiliated with the American Red Cross as an overseas worker. He served for three years in the China-Burma-India theatre and was on the staff of Gen. "Vinegar Joe" Stilwell. He will have an interesting and important message for the county workers and officials.

George Hard, publicity chairman of the drive which extends from March 1-15 this year, says that invitations have been extended to nearly 1,000 workers to attend tomorrow's rally. An added feature of the rally is the presentation of a short documentary film entitled "The Job Ahead." It deals with the Red Cross role in the postwar world.

Ulster county's Red Cross quota for 1946 is \$46,000. The city of Kingston will raise \$18,000 of that amount.

## O.P.A. Says Phony Sugar Stamps Are Flooding District

Counterfeit sugar stamps are in circulation in such large quantities in Albany and throughout the 16-county Albany O.P.A. Area that Lester W. Herzog, district O.P.A. director, today warned all retail dealers of sugar not to accept loose sugar stamps. Retailers, who accepted such stamps, he added, would have their inventories charged back with the number they accepted.

An examination made at the Verification Center where all sugar stamps are screened for counterfeiters, revealed that in November counterfeit sugar stamps with a total of 80,000 pounds were found in 93 different stores in the district, Mr. Herzog said.

The inventories of those dealers shown to have counterfeit stamps in November have already been charged with the number of pounds represented by the counterfeit stamps, Herzog also points out.

The December examination was expected any day, Mr. Herzog continued, and some dealers might have such a large number of spurious stamps that they would be debited out of dealing in sugar.

In such an event, Mr. Herzog also declared that O.P.A. was not permitted to give the dealer any inventory whatsoever.

Mr. Herzog emphasized he realized that it was difficult for dealers to determine whether stamps were counterfeit or not, adding that the only way dealers could protect themselves was to take the stamps out of the books themselves and not to accept loose ones.

## Unmask Phantom Nazi Who Built War Machine

Frankfurt, Germany, Feb. 27 (AP)—A phantom German armament maker described by an American investigator as the "greatest single power behind the Nazi war machine"—a behind the scenes force far bigger than Krupp—has been caught and unmasked by American occupation authorities.

The magnate, whose fabulous \$400,000,000 secret industrial empire previously was whispered about by a few, was identified by authorities as Friedrich Flick, 62, a steel and coal producer whose name was virtually unknown abroad or among millions of Germans.

Full details of the dealings which made Flick one of the wealthiest men in Nazi Germany still are under investigation by a Treasury and War Department cartelization team headed by Josef Marcu, Jr., of New York.

## Accident Victims Reported Improving

Mr. and Mrs. Irving Shapiro of Forest Hills, who were injured last Thursday evening in a crash between a West Shore train and a car at the Vineyard Lodge crossing at Ulster Park, were reported in good condition at the Bonaventure Hospital today. They probably will be discharged shortly from the hospital. Gabriel Laiken, Forest Hills, driver of the car, was reported in "fairly good" condition at the Kingston Hospital.

All three were injured and three other passengers in the car were killed when the vehicle in which six persons were riding was struck last Thursday evening while the party was en route to spend the Washington's Birthday holiday at the Ulster Park boarding house.

## First Big Peace Measure to Help Agriculture in Various Ways for Future

Washington, Feb. 27 (AP)—A billion dollar Agriculture Department appropriation bill to help finance "an industrial revolution on the land" went to the House floor today.

First big peacetime farm measure, it carries funds for the fiscal year starting next July 1 for the department's many activities, including rural rehabilitation and rural electrification loans and for farm conservation payments.

Along with the bill, scheduled to be debated early next week, the appropriations committee made public testimony of Secretary of Agriculture Clinton P. Anderson predicting steadily increasing farm production.

Agriculture's experience during the war in the face of labor and machinery shortages, Anderson told the committee, foreshadowed what can be done in peacetime.

No Turning Back  
"It practically amounts to an Continued on Page Nine

## Meat Prices Due for Only Slight Hike Says O.P.A.; Auto Workers, Ford Sign for 18-Cent Pay Boost

## Effective on Approval of Union Units

Cost to Manufacturer Is \$38,000,000 Year; Clauses Give Concern and Union Security

Expires in 1947

G.M. Strike Unsettled as Work Tieup Runs Into 99th Day

Detroit, Feb. 27 (AP)—A new contract, believed by the Ford Motor Co. to herald "improved labor relations" will go into force between the company and the C.I.O. United Auto Workers as soon as the union's locals give their approval.

Some 103,000 Ford workers throughout the country gain an 18-cent hourly wage increase under terms of the agreement, signed last night by management and union officials. Also included in the contract, to continue in effect until May 30, 1947, are clauses providing union and company security.

Announcement of the Ford signing came as U.A.W. negotiators met again with the General Motors Corp. in an effort to settle a strike of 175,000 production workers now in its 99th day.

The Ford wage boost, a compromise of the union's original demand for a 30 per cent increase, was agreed to by both parties January 26, but other contract problems forced continuation of negotiations until last night.

Under the maintenance of membership agreement, according to John S. Bugas, Ford director of industrial relations, the union "has undertaken to control its membership and prevent illegal work stoppages."

The contract provides that any employee found guilty of instigating, fomenting or actively supporting or giving leadership to illegal work stoppages is to be subject to discharge, Bugas said.

Ford officials previously had estimated the pay raise would cost the company \$38,000,000 annually. The increase boosts average earnings of Ford production workers to \$1.39 per hour, and the company's other hourly-rated workers will receive \$1.37.

R. J. Thomas, president of the U.A.W., stated after yesterday's G.M. negotiating session that "no progress has been made in the last two days." Special Federal Mediator James F. Dewey agreed that "no issues have been settled yet."

## Lease Not Signed Yet by G.E. Firm On Saugerties Site

Company Officials Confer With Knaust Owners Tuesday on Final Arrangements

Negotiations for the lease of the former Saugerties Manufacturing Company plant at Saugerties are being continued today, it was stated in Saugerties today that the deal probably would not be closed until the end of the week.

Representatives of the General Electric Company from Schenectady were in Saugerties on Tuesday conferring with Knaust Brothers, owners of the plant which during the war was occupied by R.C.A.

Further conferences for lease of the plant will be held during the week and it is expected that arrangements will be completed within a few days.

General Electric representatives who have visited the plant have been favorably impressed with the possibilities of the site and the industry is practically assured for the village. Under present plans the Saugerties factory would be used for manufacturing articles now being made at the Bridgeport, Conn. plant of G. E.

It is reported that a large number of men would be given employment and that plans as now made call for a permanent factory in Saugerties. There have been reports that the G.E. is interested in a lease to the plant, with the ultimate thought of purchase but this fact could not be confirmed through either the G.E. representatives or the owners of the plant.

Henry Knaust, who has been negotiating the lease, was not in Saugerties today and it was impossible to get any definite statement from the owners as to how far negotiations went at the conference Tuesday.

The plant, which was partially used by R.C.A. during the war as a radio tube factory, is a three-story brick building with a large Continued on Page Nine

## Stelle and Bradley Shake

American Legion Commander John Stelle (left) shakes hands with Gen. Omar N. Bradley, veterans' administrator, in their first meeting since Stelle charged the V.A. with neglecting veterans, opening a month-long controversy. They met at a conference at the Veterans Administration headquarters at Washington. (AP Wirephoto.)

## Kingston Coal Situation Is Tight, Check on Dealers Shows

Attempts to get a definite picture of the coal situation, through querying a number of leading dealers in Kingston this morning, left the impression that at the present time it might be characterized as "tight," referring especially to anthracite coal for household use and more particularly to a demand for special sizes.

One prominent dealer, who did not wish to be quoted directly, said that as a whole the condition was much the same as it had been for a year or so past, but that there had been an unusually heavy demand during the past two weeks. He ascribed this to "panic" buying, due to misinterpreting the recent stories of coal shortage in New York city (mostly a shortage of soft coal, he said) and listening to stories of a threatened coal strike in April—which also refer to the soft coal regions, he added.

Everybody had been taken care of, where there is actual need, this same dealer declared, although they are not always able to get the particular size and kind of coal desired, but they can't expect to lay in a two or three months supply.

Dealers, it was stated, will run out of certain sizes temporarily, but as a rule that condition lasts but a few days. He said that the situation would be helped and sometimes inconvenience avoided if householders would place their orders three or four days in advance of actual needs.

Another dealer who serves a wide field noted a number of factors which tend to limit the supply of anthracite. One of these, he said, was the fact that anthracite production had not been up to standard since last August with the mines some six million tons behind normal production. Another, applying more particularly to the present time, was the holding up of shipments at various points, being a non-perishable product. The result, in cases, is that not only does the coal fail to arrive on time, but unless it has been treated it freezes and ultimately arrives in condition that causes much delay in handling. This would be more especially true of smaller sizes.

This dealer said that he was delivering in half-ton lots and had a large accumulation of orders to be filled. He, too, said that a tendency to "hoard" had been Continued on Page Nine

## Strikes at a Glance

(By The Associated Press)

Continuing labor disputes keep idle near one million workers.

Major developments:

Automotive—Ford Motor Co. and C.I.O. United Auto Workers sign new contract giving wage increase of 18 cents an hour for 103,000 employees in plants throughout nation; to be submitted to union locals for ratification; no progress reported in negotiations between U. A. W. and General Motors in efforts to settle nation's longest major strike.

Electrical—Philadelphia law enforcement officials prepared to halt court-banned mass picketing by striking C.I.O. employees at closed General Electric plant.

Auto Parts—Negotiations break down over new contract in attempts to settle 38-day-old strike of 14,000 employees at Timken Roller Bearing Co. in Canton, O.; company offers 18 1/2 cents wage hike but no agreement reached on security demands.

## Pay Board Gives Nod On Increase

Officials Think Average Annual Family Bill Will Go Up Only 80 Cents Over Present

Sets Pattern

Other Firms May Give Pre-Approved Pay up to 16 Cents

Washington, Feb. 27 (AP)—O.P.A. officials estimated today that the average American's meat bill will go up only about 80 cents a year as the result of higher wages authorized for packinghouse workers.

They made this prediction as the Agriculture Department, boss of government-seized meat plants, prepared to put an additional 16 cents an hour into pay envelopes of 131,000 employees of five big packing companies.

While this increase approved yesterday by the Wage Stabilization Board applies at present only to workers at 11 plants of Swift, Armour, Cudahy, Wilson and John Morrell, it becomes the pattern for the industry under the administration's new wage-price policy.

This means, for example, that 13 other companies whose plants also are being operated by the government may grant pre-approved wage increases up to 16 cents an hour and expect about the same off-setting price help allowed the "big five."

Only Slight Hike  
Stabilization Director Chester Bowles said price increases authorized for the packing houses will life retail meat prices "not more than 1 1/2 per cent" for the average family.

O.P.A. officials said the 1 1/2 per cent might be translated in "rough manner" something like this:

The Agriculture Department estimates that meat consumption in the United States this year will average about 155 pounds a person.

Figure the present average price of meat at about 35 cents a pound and the year-around cost for each individual is \$54.25. Add Bowles' estimate of the increase to that and the cost goes up 81 cents.

O.P.A.'s present plans are to put the retail increases into effect late next month. Wholesale prices are scheduled to go up about March 11.

The new higher prices may be the first affecting the public to stem from the revised wage-price policy.

## Gasoline Fumes In Cellars Traced To Station Tanks

Residents of Uptown Area Will Get Relief From Removal of Leaky Containers

The origin of the fumes of gasoline that for several weeks has filled the cellars of houses in the Hurley, Lucas and Washington avenues section of the city, has finally been traced to seepage from the tanks of the Bush Service Station at Washington and Hurley avenues, according to Fire Chief Joseph L. Murphy.

The search for the origin of the fumes has been carried on for the past few weeks by the fire department, Board of Public Works and the Central Hudson Gas and Electric Corp. The Tidewater Oil Co., owners of the gas station, have also been in on the search, the fire chief said.

The Central Hudson Corp. has been testing to ascertain if the fumes were sufficiently strong to cause an explosion. Yesterday it was found that the gas in the manholes of the city sewer at North Front street and Washington avenue, was sufficiently strong to cause an explosion.

After a long search for the origin of the fumes it was believed that it was caused by seepage from the tanks of the service station.

Three Tanks Leak  
The Tidewater Oil Co., cooperated with the local authorities by Continued on Page Nine

## World Asks What Is Russia Up to Now? Vandenberg Declares

Says Rival Ideologies Now Face Desperate Need of Mutual Understanding

Reports on U.N.O.

Calls for Foreign Policy as Firm as Russia's

(By JACK BELL)

Washington, Feb. 27 (AP)—Senator Vandenberg (R-Mich.) called today for a vigorously plain-spoken American foreign policy that will match Russia's in firmness.

Reporting to the Senate on his work as a delegate to the United Nations meeting in London, the chairman of the Republican Senatorial Conference told his colleagues that the world today is asking: "What is Russia up to now?"

Without attempting to answer that question specifically, Vandenberg said in a prepared address that upon the answer may depend the future fate of world affairs to keep the peace.

It would be entirely futile, the Michigan senator said, "to blink the fact that two great, rival ideologies—Democracy in the west and Communism in the east—here find themselves face to face with the desperate need for mutual understanding in finding common ground upon which to strive for peace for both."

U. S. Must Speak Plainly

But he said the United States and Russia "can live together in reasonable harmony if the United States speaks as plainly upon all occasions as Russia does; if the United States just as vigorously sustains its own purposes and its ideals upon all occasions as Russia does; if we abandon the miserable, often encouraged by our fellow travelers, that we somehow jeopardize the peace if our candor is as firm as Russia's always is; and if we assume a moral leadership which we have too frequently allowed to lapse."

Vandenberg added that "the situation calls for patience and good will, but not for vacillation."

The United States, he said, can speak with extraordinary power because it has "no ulterior designs against any of its neighbors anywhere on earth."

Line For Compromise

"We need but one rule," he declared. "What is right? Where is justice? There let America take her stand."

Along with that, Vandenberg said the United States must make it plain "there is a line beyond which compromise cannot go."

"But how can we expect our alien friends to know where that line is?"

Ulster county's Red Cross quota for 1946 is \$46,000. The city of Kingston will raise \$18,000 of that amount.

### O.P.A. Says Phony Sugar Stamps Are Flooding District

Counterfeit sugar stamps are in circulation in such large quantities in Albany and throughout the 16-county Albany O.P.A. Area that Lester W. Herzog, district O.P.A. director, today warned all retailers of sugar not to accept loose sugar stamps. Retailers, who accept such stamps, he added, would have their inventories charged back with the number they accepted.

An examination made at the Verification Center where all sugar stamps are screened for counterfeit, revealed that in New York county alone, there were stamps with a total of 80,000 pounds were found in 93 different stores in the district, Mr. Herzog said.

Penalize Infractions

The inventories of those dealers shown to have counterfeit stamps in November have already been charged with the number of pounds represented by the counterfeit stamps, Herzog also points out.

The December examination was expected any day, Mr. Herzog continued and some dealers might have such a large number of spurious stamps that they would be debited out of dealing in sugar. In such an event, Mr. Herzog also declared that O.P.A. was not permitted to give the dealer any inventory whatsoever.

Mr. Herzog emphasized he realized that it was difficult for dealers to determine whether stamps were counterfeit or not, adding that the only way dealers could protect themselves was to take the stamps out of the books themselves and not to accept loose ones.

First Big Peace Measure to Help Agriculture in Various Ways for Future

Washington, Feb. 27 (AP)—A billion dollar Agriculture Department appropriation bill to help finance "an industrial revolution on the land" went to the House floor today.

First big peacetime farm measure, it carries funds for the fiscal year starting next July 1 for the department's many activities, including rural rehabilitation and rural electrification loans and farm conservation payments.

Along with the bill, scheduled to be debated early next week, the appropriations committee made public testimony of Secretary of Agriculture Clinton P. Anderson speaking steadily increasing farm production.

Agriculture's experience during the war in the face of labor and machinery shortages, Anderson told the committee, foreshadows what can be done in peacetime.

No Turning Back

"It practically amounts to an

## Meat Prices Due for Only Slight Hike Says O.P.A.; Auto Workers, Ford Sign for 18-Cent Pay Boost

### Effective on Approval of Union Units

Cost to Manufacturer Is \$38,000,000 Year; Clauses Give Concern and Union Security

Expires in 1947

G.M. Strike Unsettled as Work Tieup Runs Into 99th Day

Detroit, Feb. 27 (AP)—A new contract, believed by the Ford Motor Co. to herald "improved labor relationships" will go into force between the company and the C.I.O. United Auto Workers as soon as the union's locals give their approval.

Some 103,000 Ford workers throughout the country gain an 18-cent hourly wage increase under terms of the agreement, signed last night by management and union officials. Also included in the contract, to continue in effect until May 30, 1947, are clauses providing union and company security.

Announcement of the Ford signing came as U.A.W. negotiators met again with the General Motors Corp. in an effort to settle a strike of 175,000 production workers now in its 99th day.

The Ford wage boost, a compromise of the union's original demand for a 30 per cent increase, was agreed to by both parties.

Under the maintenance of membership agreement, according to John S. Bugas, Ford director of industrial relations, the union "has undertaken to control its membership and prevent illegal work stoppages."

The contract provides that any employee found guilty of instigating, fomenting or actively supporting or giving leadership to illegal work stoppages is to be subject to discharge, Bugas said.

Ford officials previously had estimated the pay raise would cost the company \$38,000,000 annually. The increase boosts average earnings of Ford production workers to \$1.39 per hour, and the company's other hourly-rated workers will receive \$1.37.

R. J. Thomas, president of the U.A.W., stated after yesterday's G.M. negotiating session that "no progress has been made in the last two days." Special Federal Mediator James F. Dewey agreed that "no issues have been settled yet."

### Unmask Phantom Nazi Who Built War Machine

Frankfurt, Germany, Feb. 27 (AP)—A phantom German armament maker described by an American investigator as the "greatest single power behind the Nazi war machine"—a behind the scenes force far bigger than Krupp—has been caught and unmasked by American occupation authorities.

The magnate, whose fabulous \$400,000,000 secret industrial empire previously was whispered among a few was identified by authorities as Friedrich Flick, 62, a steel and coal producer whose name was virtually unknown abroad or among millions of Germans.

Full details of the dealings which made Flick one of the wealthiest men in Nazi Germany still are under investigation by a Treasury and War Department decentralization team headed by Joseph Marcu, Jr., of New York.

### Accident Victims Reported Improving

Mr. and Mrs. Irving Shapiro of Forest Hills, who were injured last Thursday evening in a crash between a West Shore train and a car at the Vineyard Lodge crossing at Ulster Park, were reported in good condition at the Benedictine Hospital today. They probably will be discharged shortly from the hospital. Gabriel Leiken, Forest Hills, driver of the car, was reported in "fairly good condition at the Kingston Hospital."

All three were injured and three other passengers in the car were killed when the vehicle in which they were riding was struck by the train Thursday evening while the party was en route to spend the Washington's Birthday holiday at the Ulster Park boarding house.

### Stelle and Bradley Shake

American Legion Commander John Stelle (left) shakes hands with Gen. Omar N. Bradley, veterans' administrator, in their first meeting since Stelle changed the V.A. with neglecting veterans, opening a month-long controversy. They met at a conference at the Veterans Administration headquarters at Washington. (AP Wire-photo).

### Kingston Coal Situation Is Tight, Check on Dealers Shows

Attempts to get a definite picture of the coal situation, through querying a number of leading dealers in Kingston this morning, left the impression that at the present time it might be characterized as "tight," referring especially to anthracite coal for household use and more particularly to a demand for special sizes.

One prominent dealer, who did not wish to be quoted directly, said that as a whole the condition was much the same as it had been for a year or so past, but that there had been an unusually heavy demand during the past two weeks. He ascribed this to "panic" buying, due to misinterpreting the recent stories of coal shortage in New York city (mostly a shortage of soft coal, he said) and listening to stories of a threatened coal strike in April—which also refer to the soft coal regions, he added.

Everybody is being taken care of, where there is actual need, this same dealer declared, although they are not always able to get the particular size and kind of coal desired, but they can't expect to lay in a two or three months supply.

Dealers, it was stated, will run out of certain sizes temporarily, but as a rule that condition lasts but a few days. He said that the situation would be helped and sometimes inconvenience avoided if householders would place their orders three or four days in advance of actual needs.

Another dealer who serves a wide field noted a number of factors which tend to limit the supply of anthracite. One of these, he said, was the fact that anthracite production had not been up to standard since last August with the mines some six million tons behind normal production. Another applying more particularly to the present time, was the holding up of shipments at various points, coal being a non-perishable product. The result, in cases, is that not only does the coal fail to arrive on time, but unless it has been treated it freezes and ultimately arrives in condition that causes much delay in handling. This would be more especially true of smaller sizes.

This dealer said that he was delivering in half-ton lots and had a large accumulation of orders to be filled. He, too, said that a tendency to "hoard" had been

### Lease Not Signed Yet by G.E. Firm On Saugerties Site

Company Officials Confer With Knaust Owners Tuesday on Final Arrangements

Negotiations for the lease of the former Saugerties Manufacturing Company plant at Saugerties are being continued but it was stated in Saugerties today that the deal probably would not be closed until the end of the week.

Representatives of the General Electric Company from Schenectady were in Saugerties on Tuesday conferring with Knaust Brothers, owners of the plant which during the war was occupied by R.C.A.

Further conferences for lease of the plant will be held during the week and it is expected that arrangements will be completed within a few days.

General Electric representatives who have visited the plant have been favorably impressed with the possibilities of the site and the industry is practically assured for the village. Under present plans the Saugerties factory would be used for manufacturing articles now being made at the Bridgeport, Conn., plant of G.E.

It is reported that a large number of men would be given employment and that plans as now made call for a permanent factory in Saugerties. There have been reports that the G.E. is interested in a lease to the plant, with the ultimate thought of purchase but this fact could not be confirmed through either the G.E. representatives or the owners of the plant.

Henry Knaust, who has been negotiating the lease, was not in Saugerties today and it was impossible to get any definite statement from the owners as to how far negotiations went at the conference Tuesday.

The plant, which was partially used by R.C.A. during the war as a radio tube factory, is a three-story brick building with a large

### Pay Board Gives Nod On Increase

Officials Think Average Annual Family Bill Will Go Up Only 80 Cents Over Present

Sets Pattern

Other Firms May Give Pre-Approved Pay up to 16 Cents

Washington, Feb. 27 (AP)—O.P.A. officials estimated today that the average American's meat bill will go up only about 80 cents a year as the result of higher wages authorized for packinghouse workers.

They made this prediction as the Agriculture Department, boss of government-seized meat plants, prepared to put an additional 16 cents an hour into pay envelopes of 131,000 employees of five big packing companies.

While this increase approved yesterday by the Wage Stabilization Board applies at present only to workers at 11 plants of Swift, Armour, Cudahy, Wilson and John Morrell, it becomes the pattern for the industry under the administration's new wage-price policy.

This means, for example, that 13 other companies whose plants also are being operated by the government may grant pre-approved wage increases up to 16 cents an hour and expect about the same out-setting price help allowed the "big five."

Only Slight Hike

Stabilization Director Chester Bowles said price increases authorized for the packing houses will life retail meat prices "not more than 1 1/2 per cent" for the average family.

O.P.A. officials said the 1 1/2 per cent might be translated "in a rough manner" something like this:

The Agriculture Department estimates that meat consumption in the United States this year will average about 155 pounds a person.

Figure the present average price of meat at about 35 cents a pound and the year-around cost for each individual is \$54.25. Add Bowles' estimate of the increase to that and the cost goes up 81 cents.

O.P.A.'s present plans are to put the retail increases into effect late next month. Wholesale prices are scheduled to go up about March 11.

The new higher price may be the first affecting the public to stem from the revised wage-price policy.

### Gasoline Fumes In Cellars Traced To Station Tanks

Residents of Uptown Area Will Get Relief From Removal of Leaky Containers

The origin of the fumes of gasoline that for several weeks has filled the cellars of houses in the Hurley, Lucas and Washington avenues section of the city, has finally been traced to seepage from the tanks of the Bush Service Station at Washington and Hurley avenues, according to Fire Chief Joseph L. Murphy.

The search for the origin of the fumes has been carried on for the past few weeks by the fire department, Board of Public Works and the Central Hudson Gas and Electric Corp. The Tidewater Oil Co., owners of the gas station, have also been in on the search, the fire chief said.

The Central Hudson Corp. has been testing to ascertain if the fumes were sufficiently strong to cause an explosion. Yesterday it was found that the cause in the manholes of the city sewer at North Front street and Washington avenue, was sufficiently strong to cause an explosion.

After a long search for the origin of the fumes it was believed that it was caused by seepage from the tanks of the service station.

Three Tanks Leak

The Tidewater Oil Co. cooperated with the local authorities by

### Snow, Rain Make Streets Hazardous For Traffic Here

Despite Bad Traveling No Major Accidents Are Reported to City Police

A two-inch fall of snow Tuesday that started at 7:15 o'clock in the morning here, turned to hail and freezing rain later in the day, leaving the streets and sidewalks a glare of ice.

Despite the icy condition of the streets last night and this morning no automobile accidents were reported to the police.

The storm caused no interruption of the telephone and electric service in the city, according to the New York Telephone Co. and the Central Hudson Gas & Electric Corp.

So numerous were the streets that the Board of Public Works started the sanding crews at work during Tuesday morning, and the crews worked all yesterday, last night and today, sanding the hills and valley street intersections.

The sanding proceeded cautiously during the night and today, and motorists found it difficult to maintain a footing as they traversed the sidewalks in Kingston.

Early yesterday morning the official thermometer was recorded at 7 degrees, while at midday the mercury had risen to 25 degrees.

It gradually grew colder during the day and today and at 5:30 o'clock, the official thermometer was recording 19 degrees.

The two-inch snowfall yesterday left the total fall of snow so far this month to 13 inches.

## Appreciation Letter Received By Local U. N. O. Committee

Copy of the Permanent  
Headquarters Committee  
Report Also Sent  
Chairman Yerry

A letter of appreciation for the offer of a site for the permanent headquarters of the United Nations Organization in the vicinity of Kingston, together with a copy of the Permanent Headquarters Committee report which approves the site in Westchester County, New York and Fairfield County, Connecticut, has been received by air mail from London and is in the hands of George E. Yerry, Jr., who has served as chairman of the local committee which sought to bring the World capital to Ulster county.

R. H. Simpson, Associate Chief Headquarters Planning Section, has written a letter of appreciation to the local committee for its offer of site in the Ulster Park area of the county, bordering on the Hudson river.

The letter reads:

UNITED NATIONS  
Church House,  
Dean's Yard,  
London, S. W. 1  
19th February, 1946

Dear Sir,

The United Nations deeply appreciate your offer of a site for its headquarters in the United States but as you will see from the enclosed report adopted by the Assembly on 14th February the region selected is that comprised by Westchester County, New York and Fairfield County, Connecticut with temporary headquarters in New York city.

I am asked to thank you again for the interest you have shown and the trouble you have taken. Sincerely yours,

R. H. SIMPSON,  
Associate Chief Headquarters  
Planning Section

Mr. Yerry has also received a reply to a cable which was sent to the Assembly in London. In the reply Mr. Simpson states:

"In reply to your cable I have pleasure in sending you a copy of the report of our Permanent Headquarters Committee which was adopted by the Assembly of the United Nations on February 14th, 1946. I should like to call your attention particularly to the resolutions at the top of page five and at the bottom of page six.

It is hoped that the Headquarters Commission when it visits the selected region will be able to ar-

rive at a solution which will be satisfactory to everybody concerned.

The report of the General Assembly contains eight pages and includes resolutions which were offered during the session in which the selection of the permanent site and the temporary site was made.

The two paragraphs to which attention of the local committee is called by Mr. Simpson is the paragraph which contains the resolution offered by the Uruguayan delegation reading: "Considering that appropriate assurance should be given to the residents and neighbors of the site finally chosen as the permanent headquarters of the United Nations in the United States, to the effect that this selection will not cause injustice to be done them, it is resolved that the United Nations shall give all due and friendly consideration to any problems that may arise in connection with the possible displacement of residents, or with tax revenue, and other problems affecting the localities involved, when a final decision is taken with regard to the exact site of the permanent headquarters of the United Nations." and a second paragraph in which the site of the permanent headquarters is selected and which reads as follows:

"The permanent headquarters of the United Nations should be established in Westchester (New York) and/or Fairfield (Conn.) counties, i.e. near to New York

"The report goes on to state that a Headquarters Commission will proceed as soon as possible to the region mentioned to make a study and recommend to the General Assembly in the Second part of the First Assembly regarding the exact location to be selected. The Headquarters Commission will draw up plans based on the assumption that the United Nations will acquire approximately:

1. 2 square miles.
2. 5 square miles.
3. 10 square miles.
4. 20 square miles.
5. 40 square miles.

Details as to the approximate costs of acquiring lands and buildings within these areas will be sought and also facts on what measures the Federal, State and County authorities are prepared to take in order to control development in the territory adjacent to the zone.

The report fixes the place for the interim Headquarters in New York city.

When it became known that areas in the Hudson valley would be considered by the U.N.O. as its permanent headquarters, action was immediately taken by local groups, headed by Mr. Yerry, to

coast guard and army.

At Seattle

Miscellaneous on following: S.S. Columbia from Alaska, 17 army; Marine Panther from Calcutta, 2,628 army.

At San Francisco

## How Dr. Edwards Helps Constipated Folks!

For years Dr. Edwards relieved patients bothered by constipation with his famous Dr. Edwards' Colic Tablets — now sold by all druggists. Colic Tablets are mild, gentle laxative — they have no harmful effects on your system and never cause any side effects. No straining. Just complete relief. Caution: Use as directed. 12c, 30c, 60c.

Herman Melville, author of "Moby Dick" and a dozen other books, stopped writing before he was 40 years old and passed the last years of his life as a customs inspector in New York city.

**Gas on Stomach**  
Relieved by 5 minutes of gentle pressure to the stomach with the Colic Tablets. The Colic Tablets are mild, gentle laxative — they have no harmful effects on your system and never cause any side effects. No straining. Just complete relief. Caution: Use as directed. 12c, 30c, 60c.

## Yonkers Tercentennial

Yonkers, N. Y., Feb. 27 (AP)—The Yonkers Tercentennial Commission announced yesterday it planned to invite President Truman and Queen Wilhelmina of Holland to Yonkers later this year to speak on the anniversary observances. The city was founded by Dutch colonists.

## SEA-SNAKE FOUND

Children playing on the beach at Te Aroha, New Zealand, picked up a strange looking live snake three feet long and about the thickness of a man's thumb. They were unharmed but the serpent, sent to Auckland's museum, was identified as a ringed sea-snake, a poisonous type found in the Pacific islands.

## COUNTY DISCHARGES

Additional residents of Ulster county have been honorably discharged at Fort Dix. They are: 2nd Lt. Thomas V. Polizzi, Marlborough; T/3 John A. Lindgren, T/5 John L. Brown, 1st Lt. Irving Binder, 1st Sgt. Charles E. Craft, P.F.C. Thomas J. Bradford, Cpl. Daniel A. Sheeley and T/4 Matthew D. R. Stopard, all of Ellenville; T/5 Vito J. Brenni, T/4 Giacinto J. Gislano, T/4 Joseph W. Johnson and Sgt. John C. Gariglio, all of Highland; T/Sgt. Virgil B. Van Wagner, Napanoch; T/4 Stanley S. Van Kleck, Port Jervis; T/5 William A. McKenna, New Paltz; S/Sgt. Richard W. Barringer, Cottekill; Cpl. Arne E. Suominen, Rifton; and P.F.C. John F. Renner, Saugerties.

The following Ulster county men have been honorably discharged from the army at Fort Dix: Cpl. Stanley Palmer, Jr., Ulster; P. F. C. Julius Passante and S/Sgt. Fred A. Fowler, Highland; and 2nd Lt. Patsy Cobby, Milton.

Frank J. Carpio, B. M. 2/c of Saugerties was recently honorably discharged from the navy at Lido Beach.

The U. S. Naval Personnel Separation Center in New York city announced today that Lt. (jg.) Robert J. Howard, son of Mrs. Jean G. Howard of Rosendale, has been released to inactive duty following 29 months of service. He plans to enter the University of Virginia.

## HEADS SEABEES

ROBERT HINES

Robert Hines, electrician mate, third class, son of Mr. and Mrs. Harry Hines of 93 Pine Grove avenue, was recently made leader of one of the Seabee bands on Okinawa in the Ryukus. He enlisted in the navy in July, 1944, and received his boot training at Sampson. He was sent overseas in April, 1945. His brother, T/Sgt. Harry Hines, Jr., recently was discharged from the army after two and one-half years service, 15 months of which were spent in the Southwest Pacific area.

## KINGSTON DISCHARGES

The following Kingston residents have received their honorable discharges from the army at Fort Dix: Sgt. Grove Webster, 105 Maiden Lane; Sgt. Joseph F. Murtha, 16 Tubby street; 2nd Lt. Kenneth S. Williams, 100 Wilson avenue; Pvt. Frank F. Williams, 30 Rock street; Sgt. Charles Rider;

P.F.C. Frank C. Sass, 142 Hunter street; T/5 Joseph F. Mulligan, 34 Pine street; P.F.C. Burton L. Morgan, Hinsdale street; P.F.C. Howard Galbreth, 85 Hasbrouck avenue; Cpl. Francis P. Hoffman, 630 Broadway; T/5 William G. Barberic, 7 DeWitt avenue; T/4 Theodore C. Wood, 332 Broadway; Cpl. Robert L. Strickland, 60 Clinton avenue; Cpl. Stephen Szekeres Jr., 194 Downs street; T/3 Frank Schellpeper, Jr., 17 Murphy street; T/5 Orren W. Smith, 391 Albany avenue; Cpl. John C. Casciaro, 387 Clifton avenue and P.F.C. James J. Abernethy, 159 Pearl street.

Five additional local residents have received their honorable discharges from the army at Fort Dix. They are: Pvt. David M. Perlman, 85 Hasbrouck avenue; Cpl. Robert V. Hanley, 25 Sheldahl street; Cpl. Harry Ferrel, 77 West Pierpont street; P.F.C. Raymond J. Davis, 24 East St. James street; and T/4 Joseph A. Britt, 42 Liberty street.

The following Kingston men have received honorable discharges from the navy at Lido Beach, L. I.: William W. Hinsdale, 2/c, 66 Stephan street; Frank Dobie, Jr., A.R.M. 2/c, 7 Delta place; and Robert D. Williams, M.M. 2/c, 33 Furnace street.

Frederick A. Storms, Jr., P. F. C. 3/c, 87 Stephan street, has received his honorable discharge from the navy at Bremerton, Washington.

## WHERE THEY SERVE

P.F.C. Michael Bailey, son of Mr. and Mrs. George Bailey of this city, is now a member of the American Occupation Forces in Tokyo, Japan. He left for overseas January 9, 1945, and is now serving with the 271st Field Artillery Battalion of the 1st Cavalry Division.

Earl J. Moss of Tilton has entered active duty in the army at the 1220th Reception Center at Ft. Monmouth, N. J.

## Hitler's Crown Prince Now Battling for His Life

By DEWITT MACKENZIE

(AP World Traveler)

Nuernberg, Germany, Feb. 27—Your correspondent has run into Reichsmarshal Hermann Goering here and is mighty glad to see him again. Because this time he is where he belongs—in the dock of the Allied court on the charge of crimes against humanity.

Hitler's crown prince is looking far better than I've ever seen him, especially since he has lost a huge amount of the fat. He also seems remarkably cheerful, especially for one who is sitting on death's front doorstep. He has lost little if any of the self-confidence and ego he possessed when I saw him in action at Munich in 1938, and later in Berlin, as he and his chief were putting finishing touches on their conspiracy against mankind.

Still it isn't surprising to see Goering battling for life with a grin and a fair exhibition of nonchalance. For to give the devil his due, Hermann has never been accused of lacking physical courage. He won his spurs in the First World War, you know, with his spectacular showmanship and daring.

I was on the British front when the famous Baron Richthofen, leader of the "Flying Circus" was shot down in his crimson plane. He was Germany's greatest ace and a lot of folk wondered what would happen to the circus. They soon found out. For another leader came over in a crimson plane—and that was young Goering.

Not Much Chance for Him  
So Hitler's runnerup is making a fight of it in court. Of course he knows very well that his chances of escaping death are almost nil. However, he sticking to the old adage that while there's life there's hope—and anyway, it pleases his vanity to attract attention in a courtroom crowded with the nationals of many countries.

## Flashes of Life

Sketches in Brief  
Regains Ring  
Pittsburgh, Feb. 27 (AP)—James DeLuco who lost his Duquesne University ring to a German soldier during the Battle of the Bulge in January, 1945, has it back again.

A New Jersey woman, who said her husband took the ring from a German soldier, wrote to the university asking them to find the owner of a ring bearing the initials "JDL." Duquesne traced it to DeLuco.

## Turn About

San Francisco, Feb. 27 (AP)—Now the O.P.A. knows—A business college, which owns the building in which the local O.P.A. office is located, has notified the O.P.A. to move by March 31.

## Futility

Harvard, Neb., Feb. 27 (AP)—When a fire broke out in the Harvard School attic, Junior Frank Sutton worked to extinguish it while awaiting arrival of the volunteer fire department.

The firemen rushed to the school, hurriedly unrolled a length of hose, turned on the water and promptly split the seams of 365 feet of hose.

Meanwhile Sutton had extinguished the blaze which caused \$2 damage. Damage to the hose was estimated at \$350.

## Repentant Thieves

Chicago, Feb. 27 (AP)—Fred Watson reported to police that thieves had broken into his automobile and stolen several articles. They included an overcoat, a flashlight and a prayer book.

Goering's penchant for theatricals has given a lot of folk the idea that he's just a buffoon, but don't get that mistaken notion. He's smart and his organization ability and driving force had much to do with putting the Reich on such a powerful war footing that Hitler almost conquered Europe.

## Von Papen More Dangerous

But despite all the evil which Goering has done, he isn't the one of the most feared among the Nazi chieftains on trial. That distinction falls to Franz von Papen, the crafty worker behind the scenes who built Hitler up with the idea of doublecrossing him and becoming Fuehrer himself. Von Papen's scheme failed, but he remains one of the world's most dangerous men. He too, is fighting vigorously for his life.

So is Joachim von Ribbentrop, one time foreign minister, and Julius Streicher, the Jew biter.

## Defend Fatherland

So runs the list of defendants for whom German legal experts are exerting all their skill. Ostensibly the lives of these Nazi leaders are the main issue of the moment—but actually the German lawyers are subtly injecting an even more important issue into the trial, and that is to acquit the nation of any crimes for which the Nazi chiefs might be convicted. You see this defense of the Fatherland projected frequently.

However, there is no disposition to hang the blame on Hitler unless all other defense fails. The German lawyers have been building up their case on the allegation that Hitler was forced to go to war to defend the Reich against aggression which they assert was planned by England on the west and Russia in the east. In short, the German defense is trying to work the old wheeze of pinning the war guilt on other nations. That's the highlight of the Nuernberg trial.

## SEEVARKIE SHOWN UP

The Seevarkie, an ugly little fish hung up in laboratories, weather stations and bedrooms of South Africa in the belief that it was an accurate weather forecaster, has been robbed of its claim to fame. Scientists found that what made it swing was the effect of humidity in the air on the string by which it hung. A banana hung up in the same way would act similarly, they said.

## RUBBER FINDS NEW HOME

Since refugee rubber planters from Pacific islands were taken there in 1942, Tanganyika has exported 3,700 tons of rubber. Dar-Es-Salaam reports. That is enough rubber for 750,000 tires. Now the planters have gone back to the Far East but rubber production will continue.

## ADVERTISEMENT

CAN'T KEEP GRANDMA IN HER CHAIR  
She's as lively as a youngster—Now her Backache is better  
Many suffer relief nagging backache quickly, once they discover that the real cause of their trouble may be tired kidneys. The kidneys are Nature's chief way of taking the excess acids and waste out of the blood. They help most people pass about 8 pints a day.

When disorder of kidney function permits poisonous matter to remain in your blood, it may cause backache, rheumatic pains, leg pains, loss of pep and energy, getting up nights, swelling, puffiness under the eyes, headaches and dizziness. Frequent or scanty passages with smarting and burning sometimes show there is something wrong with your kidneys or bladder.

Don't wait! Ask your druggist for Doan's Pills, used successfully by millions for over 40 years. Doan's give happy relief and will help the 16 miles of kidney tubes flush out poisonous waste from your blood. Get Doan's Pills.

## COAL AIDS POLAR REGION

During the war, Russia built up a great coal industry around the town of Verkuta, in the Arctic regions west of the River Ob, far away from the battlefields, Moscow reports. In this forbidding wilderness there is now a thriving industrial area which

the Russians call the Trans-Polar Doneiz Basin.

## GYPSIES MOVED ON

A gypsy tribe recently emigrated citizens of Valdivia, Chile, by camping on a site adjoining the leading tourist hotel in the center of the city. With lack of

sanitation as an excuse, the city authorities ordered the gypsies to move to the outskirts of the town.

In normal times, British farmers are able to produce 40 per cent of the food needed for the nation.

**COOKED A FINE DINNER;  
THEN THREW IT TO DOG**

One lady recently stated that  
she used to throw her own dinner  
to the dog most of the time. It  
made her sick just to look at any-  
thing to eat. She was swollen with  
gas, full of bloating, had headaches,  
and worn out and was badly con-  
fused. Finally she got ERB-  
HELP and says she now eats ev-  
erything. Bowels are regular and  
perfectly. She is enjoying life once  
more and feels like "some other  
woman" since taking this New  
Compound.

ERB-HELP contains 12 Great  
Herbs: they cleanse bowels, clear  
gas from stomach, act on sluggish  
liver and kidneys. Miserable people  
soon feel different all over. So  
don't go on suffering! Get ERB-  
HELP. Sold by All Drug Stores  
here in Kingston.

## SAUGERTIES NEWS

Saugerties, Feb. 27—Union ser-  
vices will be held on Sunday eve-  
nings during Lent as follows:  
March 10, Atonement Lutheran  
Church; 17, Saugerties Methodist  
Church; 24, Reformed Church; 31,  
First Congregational Church; April 7,  
Trinity P.E. Church; 14, Reformed  
Church with a guest speaker.

Hudson High School Orchestra  
under the direction of R. Steele  
Phillips presented a concert in  
the local school Monday morning  
in the assembly.

The annual banquet of the Girls  
Community Club will be held at  
the Penguin near Port Ewen on  
Sunday evening, March 3.

Mrs. Marie Wehrendt and child  
have moved to Hoboken, N. J.,  
after residing with her mother,  
Mrs. Emily Kauper on Montgom-  
ery street for the past several  
years.

Local people attending the  
Sportsmen's Show in New York  
city the past week were Harry  
Zelman, Horace Emerick, Arthur  
Knoppel, David Hutton, Albert  
Ricketson, Richard Zelman, Jesse  
Berger and Harry L. Zelman.

Lieut. Richard Smith, air corps,  
has received his honorable dis-  
charge and returned to the home  
of his parents, Mr. and Mrs. Al-  
bert Smith on Ulster avenue.

Corporal Howard Lezette has  
received his honorable discharge  
from the army and returned to  
his wife and child on Ulster ave-  
nue.

Joseph Cintorino of the 9-W  
highway at Glenrie has gone into  
the real estate business.

A concert will be held by the  
Catskill Glee Club on Sunday eve-  
ning, March 10, at 8 o'clock in  
the First Methodist Church at  
Coxsack.

Norman Cole of Main street who  
represents the Prudential Life In-  
surance Co., in the Woodstock  
township will reside in that vil-  
lage, having purchased a home  
there.

**FINANCING PREPARED FOR**  
Eight Irish banking companies  
have formed the Industrial Fi-  
nance Company (Northern Ire-  
land) Ltd., with a nominal capi-  
tal of \$2,000,000 to meet the fi-  
nancial needs of industry in that  
area. Belfast reports. Objects are  
to provide credit and capital for  
postwar industrial or commercial  
projects in Northern Ireland.

## HOUSTON WORKERS MASS BEFORE CITY HALL

View of a portion of the estimated 5,000 workers who assembled before the Houston, Tex., city hall during a work "holiday" called in support of a six-day strike of 700 city employees. After announcement that the Civil Service Commission would begin a study of municipal wage scales, the demonstrators dispersed, and it was expected the strikers would return to their jobs. (AP Wirephoto).

## Fullers Shirt Files

## Incorporation Certificate

A certificate of incorporation  
had been filed with the Depart-  
ment of State by The Fuller  
Shirt Company, Inc., and a copy  
is now on record in the office of  
the county clerk. The certificate  
states the corporation is to con-  
duct a general business of de-  
signing, manufacturing, selling,  
etc., of shirts, pajamas, collars and  
cuffs, handkerchiefs, shirtwaists,  
ties, infants' wear etc., and the  
capital of the corporation is \$350,-  
000. There are 3,500 shares of  
stock of a \$100 par value.

The principal office of the cor-  
poration is located at 45-57 Pine  
Grove avenue, Kingston, and the  
corporation may have not less  
than three or more than 15 di-  
rectors.

Directors named to serve until  
the next annual election are: Wil-  
liam T. Fuller of 285 Clinton ave-  
nue, Annie K. Fuller of 2 John  
street, Margaret T. Fuller of 283  
Clinton avenue, Clarence S. Row-  
land of 108 Spring street, and  
Mabel E. Rowland of 108 Spring  
street.

## Butter Supplies Dip

## To Near Rock Bottom

Chicago, Feb. 27 (AP)—Butter  
supplies, estimated at 50 million  
pounds last January 1 are "dan-  
gerously low," says the American  
Butter Institute which estimates  
that the less than 15 million  
pounds on hand is only about two  
days ahead of reserves.

"It's getting worse and some-  
thing must be done immediately,"  
D. K. Howe, president of the in-  
stitute, said at Omaha, Neb. He  
said the Office of Price Adminis-  
tration policy discourages produc-  
tion of butter.

"There is a ceiling on every-  
thing but sweet cream, and butter  
fat is going to products other than  
butter," Howe said.

## QUEUE LABELS SPURNED

London women are proving too  
shy to take advantage of the spe-  
cial labels reading "Expectant  
Mother," which were designed to  
get them priority in shopping  
queues. Some of the women say  
they don't need a label, as fellow  
customers give them preference.  
Sick and elderly people have in  
some instances protested against  
giving way to those wearing the  
labels.

When frightened the mother  
woodcock often flies off with a  
chick between her legs.

## HIGHLAND

Highland, Feb. 27—During the  
recent meeting of Ida McKinley  
Council Daughters of America con-  
gratulations were extended to Mr.  
and Mrs. William Mitchell on the  
birth of a son, Mrs. Cora Thomp-  
son, Clifford Terpening and Jacob  
Eckert reported ill. An invitation  
was accepted from District 6,  
Poughkeepsie, to attend the dis-  
trict meeting Wednesday, March  
13, at the Nelson House, in honor  
of State Councilor Kezia Zurluh.  
Several reservations were made  
for the dinner at 7 o'clock. Mrs.  
Hilda Lee is district deputy of the  
entertaining district. A donation  
of \$5 was voted for the Red  
Cross. An invitation received from  
Vanderlyn Council, Kingston, to  
attend the 42nd anniversary of the  
council Thursday evening. Follow-  
ing the business session a card  
party was held in Odd Fellows  
Hall. Committee in charge was  
Councilor Sarah Wildrick, Mrs.  
Grace Relyea, Mrs. Hazel Palmer,  
Miss Carol Wildrick, Committee  
for the meeting March 6, is Mrs.  
Ruth Schofield, Martin Schantz,  
Mrs. Millie Schoonmaker, Miss  
Pearl Scott, Mrs. Rose Seaman,  
Mrs. Louise Sheeley, Mrs. Louise  
Smith, Mrs. Edna Stewart.

The baby son of Principal and  
Mrs. A. Herbert Campbell has  
been named Don Phillips.

Mrs. Alice Lane will be hostess  
to the U. D. Society Saturday af-  
ternoon at the home of Mrs.  
Charles Champlin.

Richard V. Burton has taken a  
position in the garage of Max  
Gruel on the North road and  
began work Monday.

Mr. and Mrs. Jesse Alexander  
attended the Shriner's dinner at  
Hotel Campbell, Poughkeepsie,  
Saturday evening.

Mrs. Fred Lewis Vail was host-  
ess to the Monday afternoon  
bridge club.

Carl Hasbrouck of Wilmington,  
Del., was an overnight guest of  
his mother, Mrs. Mabel Hasbrouck  
Sunday.

## DISEASE HITS NATIVES

A new American drug, Di-  
doquin, has been imported by South  
Africa under "urgent priority" to  
combat an outbreak of amoebic  
dysentery among the natives.  
Pietermaritzburg reports. The  
disease takes a much more viru-  
lent form among Africans than  
Europeans, say scientists, who  
expect a long and costly cam-  
paign to stamp it out.

The marbled godwit, 21 inches  
long, is one of the largest shore  
birds.

## 'HOMELESS' G.I. AND BABY

O. Pvt. Francis O. Tilley of Burlington, Vt., holds his 17-month-old daughter, Katherine, as they arrived at Victoria station in London to return the baby to her Scottish mother. Army officials found the G.I. caring for his child in a Paris billet, whether he had fled, he said, after he and his wife had hunted unavailingly for quarters in London during his 90-day re-enlistment furlough. (Picture by radio from London).

Japan GIs Happy  
But Are Clamoring  
For More Letters

Yokohama, Feb. 27 (AP)—Lt. Gen.  
Robert L. Eichelberger, U. S.  
Eighth Army commander, said to-  
day that after his first inspection  
trip since his return from America  
that his troops in Japan are the best  
fed, best entertained in the world.  
They're also, he added, the world's  
best complainers about slow mails.

Letters to the editor published  
in the Army newspaper, Stars and  
Stripes, supported his view.

During the war, airmail letters  
reached overseas bases in five to  
10 days and were delivered to front  
lines within two weeks of posting.

Airmail letters now require three  
to six weeks to reach Japan.

At Army headquarters, Tokyo  
officers said virtually no mail is  
moving now by air because of a  
shortage of planes. They said ef-  
forts were being made to improve  
the situation.

One Tokyo source said today  
that the big, fast liner General  
Pope, arrived from Seattle with 1,  
400 troops but not a single bag of  
mail—while a slow victory ship sail-  
ing from San Francisco February  
23 and scheduled to reach Yoko-

hama March 14 had 47,000 pounds  
of mail aboard.

The United States once had a  
camel corps for patrolling desert  
regions in the southwest.

The burrowing owl builds its  
nest of weeds and animal refuse.

## 'These Days'

By George E. Sokolsky

**THE CONVOCATION AT ROME**  
The pomp and panoply of the convocation in Rome attracted more attention than the simple fact that what really happened in that city was an affirmation of the timeless adoration of God and His promise to man of universal brotherhood.

The convocation in Rome was as important to Jews as to Christians, to Protestants as to Catholics, for the issue that faces man everywhere in this world, after nearly a decade of competition in lies, is the restoration of moral standards among men who have been led by those who govern them to reject the good for the glamorous, the inspired truth for sloganized falsehood. It was the assertion of the eternity of faith not only in God but in good.

The religion of the Jews and of the Christians is the same in essence: They are a way of life relating man to God and God to man. Such a religion was as true in the nomadic tent of Abraham as it is in the most glorious cathedrals of Europe or America. (The Church's study is to form man, to model and perfect in him the Divine Image. Her work is done in the depth of each man's heart, but has its effects, extending throughout his life, in all his activities. Through men thus formed the church prepares for human society a basis on which it can rest securely.)

It is this deep concern for man—for one individual man, not for the mass, the majorities or minorities, but for each living person, that makes the Judeo-Christian religions the absolute and uncompromisable protest against the current trend toward human enslavement. It is a protest against Tehran and Yalta, against Moscow and Potsdam, against the secret trickeries of Stalin, Roosevelt, and Churchill, against the subjection of the will of man to the immoral concepts of materialistic biology. Man is not an evolved worm; he is a creature glorious in the image of God and capable of distinguishing good from evil, justice from brutality.

Stalin is once reported to have asked when someone spoke of the Pope: "How many divisions does he have?" And I suppose the listeners giggled or roared with laughter.

Stalin is an imperialist who lives by revolution and conquest. His character is perhaps best evidenced by his reply to the Canadian discovery that he continues to engage in thieving. He does not deny the theft, nor that he is a receiver of stolen goods. He admits that, but complains that what the thieves delivered to him was too little.

In a word, lacking both morals and spirituality, he cannot understand the force of either. He cannot realize that the fighters for God are legion, that they are not solely Roman Catholic but Protestants and Jews and Mohammedans and Confucians—all men who love God and despise a life without spirit.

"All . . . are invited to come to the church. But this word 'come' does not connote any idea of migration, expatriation, or those deportations by which governments or the dire force of circumstances snatch populations from their lands and homes; it does not mean the forsaking of healthy traditions or venerable customs, nor the permanent or at least protracted separation by force of married couples, fathers and sons, brothers, relatives and friends, nor the degradation of men in the humiliating status of a homeless mass. This is the answer to Stalin's brutal power. He may have his day. There are thousands even in this country who worship him and revel in his mockeries of decency. Yet, Stalin dare not give his people liberty. He dare not grant them a Bill of Rights. He dare not permit freedom of speech, of the press, of religious worship. For should he permit sunlight to enter his darkened country, the people will once again raise their eyes heavenward to God.

That is the meaning of the convocation at Rome. The battalions of God set forth to do His work, to destroy the powers of darkness, to free man from slavery. The war is on the war between materialism and spirituality, between Communism and Universal God. (Copyright, 1946, King Features Syndicate, Inc.)

## THAT BODY OF YOURS

By James W. Barton, M.D.

(Registered in accordance with the Copyright Act.)  
**HEALTH MAINTENANCE**

A few years ago I spoke of the observations made in Philadelphia whereby it was found that early operation for appendicitis reduced the death rate by at least half. A little later observations made by Selective Service examinations of school children in Philadelphia; of 170,260 pupils examined 66,823 were found normal. Only 40 per cent. And now a far reaching experiment is to be tried in this city. It is called Health-Maintenance—Cancer Prevention Clinics.

In the Journal of the American Medical Association, Mildred W. S. Schram, Ph.D., Secretary International Cancer Research Foundation, Philadelphia, describes these clinics.

The first point about these clinics is that they do not give treatment. Their one function is examination, with special emphasis on conditions which may lead to cancer. Complete physical examinations are given including the skin, mouth, tongue, throat, vocal cords, breast, pelvis, rectum, nodes or lumps in the lymph glands, routine laboratory tests and an X-ray of the chest.

Whenever some organic or real disease is found the individual is referred to his physician. If he has no physician he is given the names of physicians in his neighborhood. If he cannot afford a physician he is given the names of several hospitals from which he can make his choice.

To make sure that this patient reaches his own or other physician he is given a letter showing condition found by the examination of the clinic. Should the condition be urgent there is a follow-up telephone call within a week or two. A record is kept of what treatment is given, where, when and by whom. If the individual can pay only part of the fees for treatment by physician or hospital the balance is made up to physician or hospital by the foundation. Some idea of the thoroughness of the examination at the Health-Maintenance-Cancer Prevention Clinics is the fact that each individual is given one hour.

The main thought behind the work of this organization as stated by Dr. Schram is "We don't want to wait till cancer is present—we want to catch the forerunner of cancer."

**Cancer: Its Symptoms and Treatment**

We should never forget that cancer is curable if discovered early. Send today for Dr. Barton's informative booklet entitled "Cancer: Its Symptoms and Treatment." To obtain it just enclose ten cents and a three cent stamp, to cover cost of handling and mailing. To The Bell Syndicate, in care of The Kingston Daily Freeman, Post Office Box 89, Station G, New York 19, N. Y., and ask for your station.

Venus person. Anyway, ten years is not long to wait, as time goes in the celestial regions.

The government is said to be losing its confidence in labor and industry. But things break even—industry and labor are losing their confidence in the government.

Whether in war or politics, appeasement seldom pays.

## Caught Red Handed?

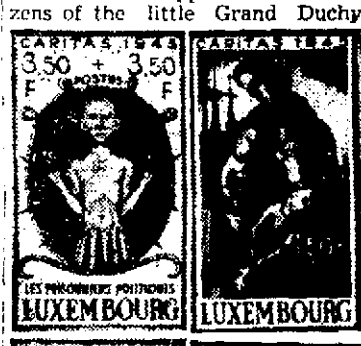

## Stamps in the News

AP Features

Another of Europe's grim postal reminders of World War II is Luxembourg's new charity set for war victims, which was issued late last December.

Reminiscent of an earlier Belgian set, the four stamps are symbolic of what happened to the citizens of the little Grand Duchy.

New values have been surcharged on eight postage and two special delivery stamps of Vatican City. All on 1945 issues (Scott's 91-98 and E5-6), the postage surcharges are 20 centesimi on 3-C, 25-C on 30-C, 1 lira on 50-C, 150-L on 1-L, 3-L on 150-L, 5-L on 250-L, 10-L on 5-L and 30-L on 20-L. The new special delivery values are 6-L on 350-L and 12-L on 5-L.

For her latest stamp, Argentina goes back more than 100 years to the fight for independence under Jose de San Martin to honor the soldiers who fought and died under his leadership. A new five centavos purple stamp pictures a heroic monument located near Mendoza. Around three sides of the stamp are the words "Homenaje al Soldado Desconocido de la Independencia" (Homage to the Unknown Soldier of the Independence) taken from an inscription on an urn in San Martin's Mausoleum, Buenos Aires, containing ashes of an unknown soldier of San Martin's army.

First day sales of the Roosevelt five-cent memorial stamp totaled \$104,611.30. . . . There were 466,766 covers canceled and 2,092,226 stamps sold. . . . Switzerland's new "Poststempel" commemorative has been overprinted "B.L.E." for use of the International Bureau of Education. George A. Scott

under the Nazi domination. Just as the Belgian stamps pictured war victims, the Luxembourg stamps memorialize starving political prisoners, those who were executed in concentration camps, families who were driven from their homes and those who fought on against their country's invaders, the guerrilla fighters.

A 20 plus 30-centimes olive-green picture shows young guerrilla fighters identified as Ona Jorgens, Zaldito and Maquisard. . . . Symbol of the deported citizen is a little mother with a card hanging from her neck and two weary children in her arms who appear on a 150 plus 1 franc red

and buff value while a 350 plus 350 fr. dark blue and buff portrays an emaciated half-naked man who represents the political prisoners.

The figure of an executed man, still tied to a stake, appears on a 5 plus 10-fr. dark blue and buff denomination.

The local trolley road on November 11, 1925, abandoned the old Colonial Division of the road, and all trolley cars began operating over the tracks of the Kingston City Division, with the exception of that stretch of Colonial tracks extending through East Strand to Kingston Point.

A few weeks later, on November 25, the trolley cars began using the old Colonial Division, instead of the Broadway railroad crossing.

The trolley road was also planning to use bus service over that section of the city formerly served by the old Colonial Division of the road.

In July, 1925, Postmaster Walter P. Crane took up with the federal postoffice department the matter of additional letter carriers in Kingston. On November 14, of that year, he was informed by the postmaster general that three additional carriers had been named, and that they would assume their duties on November 16 of that year.

The three new carriers were Floyd Spencer, John Hess and Harold Johnson. All three men had been serving as substitute carriers for some time.

Burgin's Son, Inc., on November 5, 1925, were observing the 20th anniversary of the opening of their then new building at Main and Fair streets.

The business for years had been conducted by George and David Burgin. Both brothers have since died. They had been prominently identified with the business and civic life of the city for many years. Both men had served on some of the city boards.

George Burgin had been a member of the water board, while David Burgin had been a member of the public works board.

The day I wrote about the death recently of Charles K. Champlin, whose stock company played the local theatres over long term of years. Today I ran across a newspaper clipping of November 25, 1925, telling how Mr. Champlin was guest speaker at the Kingston Rotary Club meeting that day.

Mr. Champlin's stock company was playing the old Kingston Opera House that week. He was a member of the Rotary Club of Red Bank, N. J. His topic was "How to Give with Reminiscences of the years when he played the Old Academy of Music on East O'Reilly street."

The old academy was destroyed by fire a number of years ago. And while speaking of the Rotary Club on Thanksgiving Eve, November 25, 1925, the club was host to 153 of the newboys of the city at a turkey dinner at the Advance Restaurant.

The boys who delivered the newspapers to the homes in Kingston were welcomed by Michael Bebarfeld, chairman of the Rotary committee. Other Rotarians who assisted that night were Arthur Church, E. Frank Flanagan, James Byrd, William O'Reilly, and Sam Scudder, Jr.

**BESOM CRAFT DYING**  
Back in the 1880s, William Young, of Hoxley, England, persuaded a countryman to show him his secret method of binding birds with willow to make besoms, or "witches' brooms."

Recently, at the age of 81, he fashioned his 100th besom. "I kept the secret from everybody except my son," he said. "But our craft is dying out. I make them only as a hobby now."

**GULLS LOSE FAVOR**  
New Zealand's black-billed gulls have been ranging too far inland to suit sportsmen, who are about to have protection removed from the sea birds. Auckland reports. The gulls range the southern rivers up to the back country lakes, killing fish and eating spawn.

## "At Century's Turn"

By H. L. VAN DEUSEN

The local trolley road on November 11, 1925, abandoned the old Colonial Division of the road, and all trolley cars began operating over the tracks of the Kingston City Division, with the exception of that stretch of Colonial tracks extending through East Strand to Kingston Point.

A few weeks later, on November 25, the trolley cars began using the old Colonial Division, instead of the Broadway railroad crossing.

The trolley road was also planning to use bus service over that section of the city formerly served by the old Colonial Division of the road.

In July, 1925, Postmaster Walter P. Crane took up with the federal postoffice department the matter of additional letter carriers in Kingston. ## Today in Washington

Appointment of Krug as Interior Secretary Is Move That Enhances Prestige of Truman  
By DAVID LAWRENCE

Washington, Feb. 27.—In appointing J. A. Krug to be secretary of the interior, President Truman has made one of the best possible selections. If Mr. Truman will follow this standard in making future appointments, he will enhance materially the prestige of his administration.

For "Cap" Krug, as he is known in Washington, is one of the ablest public officials the national capital has ever seen. Not only has he administrative skill, but he is fair-minded in making policies. He is known as a friend of public power programs, but he is not the kind to allow such policy leanings to influence him in the slightest in administering rules or regulations set by Congress.

Mr. Krug, in other words, is a progressive and a liberal and has been classed as a new dealer. But his fairness of approach clearly dissociates him from some of the types who used to occupy public office and under the cloak of public authority carried on private grudges and feuds.

When the war production board was torn with strife and there was all kinds of intrigue in the organization, "Cap" Krug came along and rapidly put the WPB in order, eliminating the trouble-makers and the plots and keeping attention focussed on the important tasks of war production and the administration of rules and regulations.

The secretary of the interior in the governmental set-up of today has much to say about public power projects, especially in connection with the distribution of electric power out of the great dams of the northwest. As an engineer and general manager of the Tennessee Valley Authority, Mr. Krug became familiar with all phases of the controversy between public utilities and governmental interests. One can feel assured that if public power gains in momentum, it will be only because Mr. Krug has not camouflaged facts or figures to make a point in a crusade but because he will have demonstrated through what areas or projects can best be handled by government and what categories of power allocation can be handled by private interests.

Mr. Truman has secured the services of a man who can accomplish much for his administration in the far west. The department of the interior is one of the agencies of government that interests the far west, because of the problems of natural resources that have often arisen to plague Washington administrators. What the office needs, of course, is as well as a good administrator, what it needs also is someone with modesty who can stay on the job and worry about the problems of government instead of comments on his ego.

The appointment is significant in many other respects. It means that President Truman, who made the selection himself, knows that the Democratic party's real purpose in public affairs must be to accept conservatism, stand pat, but to follow a liberal and progressive path. He knows that mere radicalism or left-wing crusading is as bad in the other direction as any other form of reactionary thinking. Mr. Krug represents that group of liberals who would like to improve the quality of public service.

If Mr. Truman could find more men of the type of "Cap" Krug he would be able to raise the whole level of governmental service in the policy-making category. For in the administrative side, despite attacks often made on the nature of governmental operations, the personnel is fair-minded and efficient. It is in the realm of policy-making that troubles begin, causing confusion among the administrative personnel who are demoralized through various administrative changes. This arises when attempts are made to introduce policies that were never sanctioned by Congress but have their origin in the fertile and resourceful minds of crusaders who have a kind of contempt for the law-making body anyhow and prefer to write or rewrite the laws in the form of administrative regulations which go far beyond the letter or the spirit of the original law.

The personnel of the interior approaches public questions on the basis of the law and the facts and the limits of the authority given him, which is a proper basis for successful administration. (Reproduction Rights Reserved.)

**An "Unselfish" Aid to American Education**

I have in my hands a bulletin of the Philadelphia Council of the American-Soviet Friendship, schools and colleges division, for January, 1946. This bulletin is, I am reliably informed, being sent to schools in Philadelphia. In the past this was done more or less subtly. Teachers who were members of Communist clubs, or trusted by club members, were used to get the message into receptive minds, but now, I am told, the circulation is openly done.

One portion reads: "Star-February 10." The purpose for featuring February 10 with a star on the school calendar is because it is election day in Russia for the Supreme Soviet. The gratuitous teacher's aid asks: "Have you discussed with your students who may vote, how candidates are selected, how many delegates are elected, what the Supreme Soviet does?" and then proceeds with several pages of material to give our youth a complete and extensive education in the election procedure of the Soviet State.

I have talked to two of my nephews who have had this supplementary education furnished them through our public schools. The gratuitous teacher's aid kindly instigation of the Friends of the Soviet Union, and have found that they were totally uninformed about the election procedure of the United States of America.

If we have to pay school taxes to support schools that teach the Soviet constitution but haven't time to teach the American constitution to our children, I am at least making bold to request that a fuller education on this subject be given to the children. I particularly ask for correction of the omission of any mention of the rather interesting fact that the Soviet constitution provides for no opposition candidates, and no opposition votes in these highly decorative elections. In this they are just like Hitler's "ja" elections—save that Russians write "da."

Now I don't think it's fair and good sportsmanship on the part of the Philadelphia Council on the many teachers in the Philadelphia schools, and no doubt the public schools, many other of our American citizens who in the interests of "pure knowledge," of course, use the children's classroom time to hand on this information so essential to their developing lives as American citizens. I don't think it quite cricket, or Hoyte, or whatever expression you like, to leave the children with a misconception on this one intriguing angle. It might just be rather important to them. It seems to me that it would be a little like teaching them that Robin Hood had a barn, without telling them he was a bandit.

British or Swiss what a fine British agent Benedict Arnold had, but only that he did gather information for the wrong party. Of course I wouldn't mind of letting the deep, dark suspicion enter my mind that the Philadelphia Council of Soviet-American Friendship could have found in America.

**BRIZIL BUTS FARMS**  
The Brazilian Government is about to take over the experimental rubber growing farms started by a United States mobile company in the Amazon region, Rio de Janeiro. For the nominal figure of \$250,000, United States technicians will multiple grafting, compared to worst problems a rubber tree plantation on the farms is expected to be sizeable.

**AA one teaspoon of sugar is oleo or other butter substitute and it will taste like butter.**

**Mice bring forth as many as 1000 young in a year.**

**The wood ibis is the only bird that can fly with its wings folded.**

## SOCIAL ACTIVITIES

SOCIETIES • CLUBS • PERSONALS

### High School Girls Invite Highland Team For Basketball Game

The Kingston High School Leaders Club will play host to a team from Highland High School in an invitation basketball game Thursday afternoon in the K.H.S. gymnasium. Some of the girls who will represent Kingston in this contest are Blanche Glass, president of the Kingston Leaders Club, Mary Dolan, Shirley Hornbeck, Eleanor Mayone, Rheta Stout, Arline Van Buren, and several others.

It is the purpose of these "get-togethers" to encourage fair play and good spirit among the girls. Several others of its kind have been held this year.

Highland High is returning a visit paid to them last spring when the local girls' group traveled to the southern Ulster school for a softball game. Highland won the softball contest, but the local group hopes to redeem itself in the basketball game tomorrow afternoon.

### Card Parties

Workmen's Circle Branch 125 will hold a public card party Thursday at 8:30 o'clock at the Agudas Achim Social Hall. Refreshments will be served. The public is invited.

### First Union Service Is Tomorrow Night

The first in the series of Union Lenten Services of the Uptown Protestant Churches will be held Thursday at 7:30 p. m. in the First Presbyterian Church, Tremper avenue. The Rev. Dr. Raymond Irving Lindquist, pastor of the First Presbyterian Church of Orange, N. J., will be the guest speaker.

Dr. Lindquist, who has spoken on several former occasions in Kingston, is considered one of the outstanding of the younger preachers in America. His church in Orange is one of the largest in the denomination. He is a graduate of Princeton Theological Seminary and was awarded a Fellowship to Edinburgh University. He vacated the fellowship, however, when he was called to the First Church in Orange.

The Rev. Edward V. Winder, pastor of the First Baptist Church, will assist in the service. The Rev. William McVey, pastor of the host church will preside.

The choir of the First Presbyterian Church will sing as the anthem, "Seek Ye the Lord," by Bizet, with incidental solo by Chester Miller, Jr. Miss Vivian Swart, soprano, will sing, "My Redeemer and My Lord," by Dudley Buck.

### Personal Notes

Mrs. James Connelly of 65 West O'Reilly street returned today after spending a few days as the guest of Mr. and Mrs. Florian Wingert in Bayonne, N. J.

Miss Frances F. Low, daughter of Dr. and Mrs. Morton Low of 17 Downs street, arrived Saturday from Cornell for the mid-year vacation. Her brother, Herbert Low who is attending the Albany Law School was home for the week-end.

Mrs. John Tomaski and sons, George and James, of Brooklyn visited her mother, Mrs. Marjorie Meehn at her home in High Falls for the week-end. Mrs. Meehn expects her son, Donald Meehn DeAngelo, seaman first class, Navy, who is stationed at Norfolk, Va., home for the coming week-end.

Vivian Thompson celebrated her seventh birthday Monday at her home with Mrs. Raymond Ford in Willow. Guests were Joyce Russell, Ingrid Allerman and Edna Quick. Mr. and Mrs. Elsworth MacDaniel and twins, Carolyn and Martin, were supper guests Sunday night of Mrs. MacDaniel's parents, Mr. and Mrs. Ray Ford of Willow.

### Club Notices

Fellowship Chapter Speaker  
Mrs. Herbert Greenland of Highland will be the guest speaker at the World Fellowship Chapter Meeting in the First Dutch Reformed Church Chapel Friday at 7:30 p. m. Her topic will be "A Visit to the Arctic Mission." Mrs. C. B. Dickinson will lead the devotions.

Child Study Club 2  
Child Study Club 2 will meet at the home of Mrs. John Bott, Andrew street, Thursday at 8 p. m. Mrs. Edward Cloonan will have the paper.

St. Paul's Church Groups  
The regular monthly meeting of the Ladies Aid Society of St. Paul's Lutheran Church will be held Thursday evening at 8 p. m. instead of March 7. All members are requested to bring gifts for the social to be held March 5. The Men's Brotherhood will meet the same evening.

Trinity Young Women's Club  
The Young Women's Club of Trinity Lutheran Church will meet at the Y.M.C.A. tonight at 7:30 o'clock for swimming and exercise.

## Engagements Are Announced

MISS RITA C. LOWE

MISS FREIDA BARBAROSSA

### Troth Is Announced For Miss Rita Lowe

Mrs. Edna Lowe of 101 Hunter street announces the engagement of her daughter, Miss Rita Constance Lowe, to Raymond Thompson Krom, son of Mr. and Mrs. Harry G. Krom of St. Remy. No date has been set for the wedding.

Mr. Krom who received his discharge from the army at Fort Dix, October 13, 1945, enlisted for service July 6, 1942. Sent overseas October 24, 1942, he served in Africa, Sicily, Italy, France, Germany and Austria with the 3rd and 6888 Divisions of the 7th and 5th Armies. He is now employed by the New York Telephone Co.

Miss Helen Marie Coglianese, daughter of Mrs. Boniface Coglianese, West Bridge street, Catskill and the late Mr. Coglianese, was united in marriage to Myron Van Buren, son of Mr. and Mrs. Myron Van Buren of 21 Deerpark street, Sunday at 12:30 p. m. The ceremony was performed at the rectory of St. Patrick's Church in Catskill by the Rev. John Wojtyna.

The bride wore a gold colored gabardine suit with white feathered hat designed to form a flower in the center front. She wore brown accessories and a corsage of white orchids. Mrs. Louis Prince, sister of the bride, as matron of honor, wore a navy blue suit with red piping across the shoulders, white gloves and navy blue accessories. She wore a corsage of red roses. Mr. Principe acted as best man.

The bride's mother wore a black and white chiffon dress with black flowered hat and corsage of flame colored snapdragons. The bridegroom's mother wore a powder blue wool dress trimmed with gold sequins; brown accessories and a corsage of yellow snapdragons.

A wedding dinner and reception for 45 guests was held at the Sault Hotel. Tables were decorated with ferns and daffodils and a large floor bouquet of pink gladioli.

After a brief wedding trip to New York city, Mr. Van Buren who was recently discharged from service will return to R.P.I. where he is taking a course in structural engineering.

### DeNardo-Papillo Wedding Announced

Mr. and Mrs. Joseph Papillo of 17 Grandview avenue announce the marriage of their daughter, Miss Rose Lucille Papillo, to Dominick DeNardo of New York city. The wedding took place in New York city, February 21. Miss Katherine Papillo, sister of the bride, was maid of honor. Joseph Papillo was best man.

Following the ceremony, a reception was held for the immediate family and bridal party. After the reception, Mr. and Mrs. DeNardo left for a wedding trip to California.

### Kingston Hospital Auxiliary Hears Reports of Dance

The regular meeting of Kingston Hospital Auxiliary was held at the Nurses' Home Tuesday afternoon with Mrs. R. Frederic Childsey presiding. Mrs. Frederic Holcomb and Mrs. Parker K. Brimmer, co-chairmen of the recent Mid-Winter Dance, reported that the dance was a huge success. Mrs. Childsey expressed appreciation on behalf of the auxiliary to all who assisted with the dance.

Various needs of the hospital were discussed as possible projects for the year. Mrs. William S. Campbell was welcomed in as a new member.

After the business meeting, Mrs. Groves, a native of Holland explained the meaning of Dutch names choosing many in this locality for her talk. She also spoke of Dutch customs and exhibited some Dutch costumes.

Mrs. Frank A. Johnston and Mrs. S. B. Schwarzwalder were hostesses for the day. During the social hour which followed the meeting tea was served. The tea table was arranged with a centerpiece of spring flowers. Mrs. Harold S. Loughran presided.

Hostesses for the next meeting will be Mrs. Chester B. Van Gassbeck, Mrs. Harold S. Loughran and Mrs. Henry Wieber.

### Lowell Club Has Paper On Use of Musical Therapy

Lowell Club met with Mrs. A. H. Van Buren, 184 Pine street, Tuesday afternoon. The paper for the day was given by Mrs. C. Franklin Pierce who spoke of "Therapy of Music."

She explained that since the beginning of time, the influence of music on mankind has been recognized and practiced by all peoples. Research into the therapeutic power and value of music is comparatively new. In institutions in which therapy of music is being carefully studied it is found that patients respond to its influence physically, mentally, and spiritually, both during illness and the period of recuperation.

Mrs. Pierce read testimonials to this effect from Walter Reed General Hospital and Halloran General Hospital on Staten Island. She also quoted research workers using music therapy in New York hospitals and Brigadier General Devor, who says, "We must accord music therapy a high place in our hospitals, a cause which will be still more highly considered when more is known about its proper application." The late Mrs. Harris Seymour organized a national foundation of musical therapy. An observation among the students showed that personality counted quite as much as fine technique. Juilliard School of Music is giving special training for this work.

The next meeting of the club, March 12, will be at the home of Mrs. James J. Murphy, 255 Pearl street.

### Suppers—Food Sales

Turkey Dinner  
A turkey dinner will be served at Epworth Hall, Clinton avenue Methodist Church under the auspices of the Men's Club and Willing Workers' Class of the church Wednesday, March 13. There will be two servings: 5:30 and 6:30 p. m. Tickets may be secured from members of either organization. Children's tickets may be secured at the door the night of the dinner. Members and friends of the church are urged to attend.

Send TWENTY cents in coins for this pattern to The Kingston Daily Freeman, 73 Pattern Dept., 232 W. 18th street, New York 11, N. Y. Print plainly SIZE AND STYLE NUMBER, YOUR NAME, ADDRESS, ZONE.

The Marian Martin Spring Pattern Book is now ready... it's yours for Fifteen Cents full of smart styles for the family plus FREE pattern for the new "bag-on-a-belt" printed right inside the book.

### Alice Muller Is Wed To Ulysses Van Aken

Miss Alice E. M. Muller, daughter of Mr. and Mrs. George Muller of Malden, was married to Ulysses G. Van Aken, son of Mrs. Bertha Van Aken also of Malden Sunday afternoon at the parsonage of St. John's Methodist Church, Malden. The Rev. Milton H. Ryan performed the ceremony.

The bride wore an afternoon dress trimmed with sequins and black accessories. She also wore a corsage of white carnations. Mrs. Howard Ackerman of Malden as matron of honor wore an aqua dress with black accessories and a corsage of pink carnations. George Mower acted as best man.

After the ceremony a reception was held at the home of the bride's parents. Twenty guests were present. Mr. and Mrs. Van Aken left for a wedding trip to New York city. They will reside at 254 Main street, Saugerties.

Both Mr. and Mrs. Van Aken are graduates of Saugerties High School. Mr. Van Aken is employed by the Alpha Cement Co. at Cementon. Mrs. Van Aken has been employed as saleslady in the J. J. Newberry Co. store in Saugerties.

Tea was introduced into Europe from the Orient by the Dutch in 1643.

The Roman calendar had a 304-day year of 10 months.

### FORMAL CARD-LEAVING OCCASION

The following letter presents a social picture that has not been asked about since prewar days.

"Should an invitation to a formal coming-out tea for a debutante be answered, particularly when I am planning to go? The hostess is a stranger to me. Our husbands are great business friends and it is for this reason my husband wants me to go. (Undoubtedly, for this reason I have been invited!) though it seems to me very unlikely that they will remember me or that I will be there."

Under these circumstances it might be well to send an acceptance, although none is required unless R.s.v.p. is included in the invitation. To make sure that the hostess will know you were there, you leave two visiting cards of your own (one for the hostess and one for the daughter) and even though your husband is not with you, you leave three of his cards (one for the post as well as one each for the hostess and the daughter) on the hall table when you enter.

A Message to New Parents

Dear Mrs. Post: When sending a congratulatory card for a new baby, addressed to the hospital, should this be addressed to Mrs. or to Mr. and Mrs.?

Answer: Although it is true, "Mrs." is the patient in the hospital, a card addressed to Mr. and Mrs. is correct.

"Yes" and "No" to a Man's Hat

Dear Mrs. Post: Will you please tell me whether a man is supposed to take off his hat when he goes into a store?

Answer: No, not on the ground floor or at any counter. Should he be seated in a "salon," he would be expected to take it off, because

these surroundings are those of a room rather than a passage.

All Are Cousins

Dear Mrs. Post: What relation are my children to my cousins? How should my child address different varieties of cousins?

Answer: They are first cousins once removed. Cousins of all degrees should be called "Cousin Jane" and "Cousin Harry" unless they themselves prefer to be called Jane and Harry.

Correct forms for letter writing are found in Mrs. Post's book, "The Etiquette of Letter Writing," obtainable for 10 cents in coin and a three-cent stamp, self-addressed envelope sent to The Kingston Daily Freeman, P. O. Box 99, Station G, New York 19, N. Y.

(Released by The Bell Syndicate, Inc.)

## Countess Forfeits Huge Sum to Wed American

London, Feb. 27 (AP)—The engagement of Leonora Margaret, Countess of Inchcape, eldest daughter of Sir Charles Vyner Brooke, former White Rajah of Sarawak, and Col. Francis P. Vyner, was announced today.

The Countess, who was known to her father as "Princess Gold" because of her blond hair and fair skin, will forfeit a widowhood annuity of 3,000 pounds (\$12,000) when she marries.

Her father announced three weeks ago that he was abdicating the throne of Sarawak and ceding it to Great Britain as a crown colony.

Tompkins, whose home is in Northfield, Vt., has been in Europe since 1942 and is now stationed at Oberammergau. He said the marriage would take place at Marlborough Town Hall on March 1.

## DIED

**CHAMBERS**—In this city February 24, 1946, Alexander Chambers, son of the late George and Irene Chambers and brother of Miss Ella E. Chambers of Kingston and William Chambers of Union Grove, N. Y.

## Spain Quickly Seeks Motion

### Closes French Frontier in Retaliation to French Move of Tuesday

Madrid, Feb. 27 (AP)—Spanish authorities were reported authoritatively from Barcelona today to have closed the French-Spanish border at Port Bou near the Mediterranean coast.

Neither trains nor persons were allowed to cross the frontier.

The French government announced yesterday the closing of the frontier on their side, effective March 1.

Morning newspapers in Madrid printed their first complete accounts today, telling of the French action and of French efforts to get the United States and Great Britain to sever relations with Spain.

The papers also carried long editorials denouncing French Communists and Soviet Russia.

The Catholic newspaper Ya said Spain had divined the "unmeasured and rapacious appetite that encourages from afar the gang of traitors to their country who elevated themselves to the bosom of France's government, doing all possible to facilitate Stalin's projected embrace of Europe."

## Local Death Record

**WOODSTOCK**, Feb. 27 (AP)—Mrs. Betty Rudwald of Zena, aunt of Mrs. Harold Smith, died here Monday.

Her funeral will be held from the Lasher Funeral Home, Thursday at 2 p. m. The Rev. Olney E. Cook will conduct religious services. Burial will be private.

The funeral of Alexander (Alber) Weiss of Green street, Port Ewen, was held from the Henry J. Bruck Home for Funerals, 27 Smith avenue, Tuesday afternoon at 2:30 o'clock with the Rev. George Berens, pastor of the Port Ewen Reformed Church officiating.

The body was temporarily placed in the Riverside cemetery vault in Port Ewen where the Rev. Mr. Berens gave the committal.

The funeral of Paul Vignoli of Port Ewen was held from the Henry J. Bruck Home for Funerals, 27 Smith avenue, Tuesday morning at 8:30 o'clock and thence to St. Mary's church where a requiem Mass was offered by the Rev. John A. Flaherty. Monday evening Father Flaherty called and led those assembled in the recitation of the Rosary. Burial was in the Calvary cemetery, New York city. Bearers were Anthony Gialardi, Richard Passerini, Louis Gialardi, John Fabiano, John Mino and Aldo Bello.

Senator W. Dean Hays of 110 Fair street, died at the Kingston Hospital Tuesday evening following a long illness. Several weeks ago Senator Hays contracted the flu which was later followed by a stroke. Mr. Hays was a retired banker and served the State of Washington as senator for 12 years. Besides his wife, Mrs. Kathryn Boice Hays, he is survived by two daughters, Mrs. Blundine Bickel and Mrs. Margaret Pekor, the latter by a former wife, and both of Ventura, Calif.; a brother, Judge Robert E. Lee Hays of Parkersburg, W. Va., and a sister, Miss Mattie Hays of Elkins, W. Va. Funeral will be held from the late residence Friday afternoon at 1:30 o'clock. Burial will be in the family plot in Wilkwyck cemetery.

Fraternally, Senator Hays was a member of Saints John Lodge, 92, F. & A. M. of Hardin, Mont.; of Affli Temple, A.A.O.N.M.S. of Tacoma, Wash.; and of Hayden Consistory, 4, of Olympia, Wash. He also was a member of St. John's Episcopal Church of Tacoma, Wash., Kingston Lodge, 10, F. & A. M., who will hold ritualistic services at the residence Thursday evening at 8 o'clock.

**Cut German Rations**  
Herford, Germany, Feb. 27 (AP)—British authorities today ordered German rations cut to 1,014 calories daily starting March 4, explaining that existing food supplies were insufficient to maintain the present scale of 1,500 calories until the next harvest.

**Iran-Soviet Progress**  
Moscow, Feb. 27 (AP)—An Iranian source connected with current Iranian-Soviet negotiations in Moscow said today that progress had been made in the talks but there were matters which had not yet been settled. He said the conversations are continuing.

**GI Brides in Paris**  
Paris, Feb. 27 (AP)—Thirty-nine Belgian brides of American soldiers and a three-month-old baby have arrived in Paris, vanguard of the first shipment of G.I. wives from the low countries en route to the United States.

**CARD OF THANKS**  
We sincerely express our thanks and appreciation to those who were so kind during the illness and at the time of the death of husband and father, Henry Stengel, also those who sent floral offerings and cards, especially the Trinity Lutheran Men's Club and the Lutheran Men's League.

Signed  
**MRS. HENRY STINGEL**  
Son, HAROLD, Advertiser.

**Fugitive Missing 5 Years Identified in Chicago**  
Chicago, Feb. 27 (AP)—Police Capt. Jerry Looney said today a hotel house detective identified a man held without charge as Daniel J. Leary, former comptroller of Waterbury, Conn., who disappeared five years ago as he was about to begin a 10 to 15 year sentence for fraud.

The detective, Jack Tierney of the Drake Hotel, viewed the man held under the name of James Donovan, 52, a Chicago salesman, and said he was positive it was Leary, Captain Looney said.

Tierney said he went to school with Leary in Waterbury and last saw him in 1940 when Tierney went to Waterbury to attend the funeral of his mother.

**Dam Builder Dies**  
Redding, Calif., Feb. 27 (AP)—Frank T. Crowe, 63, who supervised the building of 19 dams, including the Great Boulder and Shasta dams, died last night.

## Fine Fits the Puff The Lady Insists

New York, Feb. 27 (AP)—Mrs. Frances W. Lehigh, Brooklyn's only woman magistrate, has a sliding scale to fit the punishment for persons charged with smoking on subways.

She put it into effect when 33 men and women appeared before her in Flatbush Court yesterday. Cigarette devotees drew a \$2 fine, cigar smokers, \$3, and pipe puffers, \$4.

Terse, she explained the scale. "All three were obnoxious" on subways. Cigarettes rated the comparative degree of "least," cigars "more," and pipes "most."

Only one defendant objected. He protested he was a creature of habit. But he paid the \$3 stogy tribute.

The judge? She doesn't smoke.

## Must View Atomic Energy as Weapon Groves Declares

Washington, Feb. 27 (AP)—Maj. Gen. Leslie Groves told Senators today legislation to control atomic energy should be shaped with the idea that the new power will be used primarily as a military weapon.

The chief of the Army's "Manhattan District Project," which developed the atom bomb, expressed belief atomic energy would be devoted chiefly to military uses "at least until we know there isn't going to be any more war."

Emphasizing that he was voicing personal views and not those of the War Department, he expressed doubt that the world might attain a condition of "stable peace." In response to questions of Senator Miliken (D-Colo.), he commented:

"I do not believe that we shall ever shift to a state where we shall ever make sure there will be no war."

He noted, however, the efforts of the United Nations to reach that goal.

He appeared before a special Senate committee studying legislation to set up an atomic energy commission.

At the outset, he reiterated previous statements that he knew of no defense against the a-bomb.

## Russians Clamp Muzzle on Press

### Radio and Press Reporters Placed on Wartime Basis in Soviet

Moscow, Feb. 27 (AP)—News dispatches and radio commentaries from Russia will be censored effective March 1 by the Administration for Affairs of Literature and Publication, the authority which supervises the Soviet press and radio and is known as "Glavit."

Dispatches written in Russia for publication abroad thus will undergo the same censorship authority as material written for internal consumption in Russia. Before and during the war, all foreign correspondence was censored by the press department of the Foreign Office.

The Associated Press was informed that telegrams should be submitted as now in two copies, one for transmission and one for censorship.

The foreign office will continue to be the authority to which foreign correspondents are accredited. Interviews, trips and other facilities to foreign newspapermen will continue under the jurisdiction of the press department of the foreign office.

**The Joiners**  
News of Interest to Fraternal Organizations

A regular meeting of Atharhac-ton Rebekah Lodge will be held Thursday evening at Mechanics' Hall, 14 Henry street, at 8 o'clock.

The Ladies' Helping Hand Society will meet in the lodge rooms, corner Broadway and Brewster street, Thursday afternoon at 2 o'clock.

Rip Van Winkle Triangle, 81, invites all members of the Eastern Star and Master Masons to attend its meeting at 8 p. m., Thursday. Master Mason's and Eastern Star's night will be observed. Guest speaker for the evening will be Alice Scardfield. Entertainment will include magician, Fred Van Deusen, pianist, Robert Wolfenstein, and baritone, Herman Schwenk.

**New York City Grocery Strike Is Settled**  
New York, Feb. 27 (AP)—The month-old strike of members of Local 138, A.F.L. Grocers Union against 52 wholesale grocers in New York city formally ended last night with the signing of contracts by the union, the greater New York wholesale grocers, and two wholesale food concerns.

The walkout had tied up deliveries to retail stores. Approximately 800 drivers, helpers and warehousemen will receive wage increases of 15 cents an hour under the agreements.

Frederick H. Bullen, executive secretary of the State Mediation board, said the agreements brought drivers' salary up to \$1.25 an hour and increased the pay of helpers and warehousemen to \$1.16 an hour.

## Financial and Commercial

New York, Feb. 27 (AP)—Support came into the stock market today to send a wide list of leaders ahead fractions to three points but the movement was nervous and some gains were trimmed.

Belief that the list was entitled to a technical comeback after the sharpest break in eight years, and presence of idle money in many accounts following recent profit-taking were credited by brokers with producing a measure of demand for offerings.

Near the fourth hour a number of leaders sold below their top levels, and some fractional losses appeared.

Steels, metals, rubbers and utilities provided principal support for the advance. Prominent on the upswing were American Telephone, Union Carbide, Du Pont, Standard Oil (New Jersey), Bethlehem, B. F. Goodrich, Goodyear, Chrysler, American Smelting, Kennecott and General Electric. Philip Morris touched a new low at one time, and declined to the 40s.

Bonds were steady and commodities higher.

Quotations by Morgan Davis & Co., members of the New York Stock Exchange, 60 Beaver street, New York city, branch office, 48 Main street, R. B. Osterhoudt, manager.

## Sen. Tobey Predicts Surprise "Break" in Pauley Deadlock

Washington, Feb. 27 (AP)—In a surprise move, Senator Tobey (R-N.H.) gained a postponement until afternoon of this morning's Naval Committee hearing on the nomination of Edwin W. Pauley as Undersecretary of the Navy.

"I am quite sure the net result will be a saving of time," the New Englander told the committee.

Tobey has been the chief cross-examiner of the California oil man during the more than three weeks of hearings.

Pauley told reporters he would not move to have his name withdrawn. Only yesterday President Truman again reiterated his support of Pauley.

A responsible member of the committee, who declined to permit use of his name, said there was a possibility of "a break" in the lengthy dispute today.

**No Form Hinted**  
He said the "break" might take the form of a conference between Pauley and members of the committee, some of whom are hopeful that the nomination will not be brought to a vote.

Pauley indicated to reporters he didn't know what was behind the Tobey move. He said no one had approached him about withdrawing his name, except Senator Saltonstall (R-Mass.), who made such a proposal in open committee session yesterday.

"I told him I would take it under advisement," Pauley said, "but I have concluded otherwise."

Pauley told reporters he would have a statement when the committee assembled again this afternoon. He did not indicate its nature.

**Kingston Coal Situation Is Tight, Check on Dealers Shows**  
Continued from Page One

found in numerous instances, with householders asking for coal when already they had on hand from one to as much as four tons. He understood that some dealers had no anthracite on hand at the present time.

A shortage of coal in communities outside of Kingston was reported, with dealers making requests for supplies which could not be filled. Among localities mentioned were Woodstock, Shandaken, West Hurley, Lake Katrine, Accord, Plattekill and others.

Another dealer stated that at present he had nothing of consequence on hand except soft coal. Some stove and egg coal was received first of the week but most of that already was accounted for.

In another instance, the dealer questioned said that he had no stove coal, but might be able to deliver some chestnut within a few days. In addition to being short of coal he was hampered by a breakdown of a large delivery truck.

The shortage in receipt of expected supplies was emphasized by one dealer, who said that instead of receiving 80 per cent of the amount used in former years his receipts were nearer 60 per cent.

**New York City Produce Market**  
New York, Feb. 27 (AP)—Dressed poultry firm, prices unchanged. Live poultry firm (Grade "A") unchanged otherwise specified by express. Chickens, rocks 30. Broilers, crosses 24-28. Fowls, colored 29-30. Old roosters 20. Other prices unchanged.

Pears—Hudson Valley Sec., bu. bskt. or eastern box, Kieffer 1.75-2.

**Suggest Super Man As G.O.P. Chairman**  
Washington, Feb. 27 (AP)—Selection of some nationally known business executive who also is a super salesman, as the next Republican National Committee Chairman, was suggested today by Rep. Arnold (R-Mo.).

This executive should be chosen, Arnold said, with the understanding that if the G.O.P. under his leadership gains a majority in the House next November, he will be named as the party nominee for President in 1948.

"But there also should be an understanding that if the party organization, under his leadership, fails to get a Republican majority next November, he will be fired," Arnold told a reporter.

Present G.O.P. Chairman Herbert Brownell, Jr., has announced that he plans to resign April 1.

## Bunce Brothers Sentenced Today In County Court

Continued from Page One

not join in the leniency plea. Bunce said he had been in the service for 2 1/2 years. His sentence was for an indeterminate term as a second offender.

Frank Bunce, 23, who was also indicted for robbery, assault and grand larceny, in connection with the same offense on February 11, pleaded guilty to a charge of a firearm in violation of Section 1897, Sub-division 4. Bunce was also represented by Louis Bruhn.

Frank served five years in the armed forces, 23 months of which was in the Pacific theatre. The Court imposed a six months jail sentence. The other charges were dismissed.

Mildred Rosenkrance of Rosendale, who pleaded guilty to operating a disorderly house, was given a six months jail sentence and execution of the sentence was suspended during good behavior and she was placed on probation. Thomas Plunkett appeared since Mrs. Rosenkrance has six minor children ranging in ages from 2 to 10 years. He said a jail sentence would impose hardships upon the family. Mr. Connelly stated the district attorney joined in the plea for leniency.

The case of Donald Ray Haley, grand larceny, first degree, growing out of a bad check transaction in payment for a car, had his case put over until April on application of Thomas Plunkett who was recently assigned to the case.

**Gasoline Fumes In Cellars Traced To Station Tanks**  
Continued from Page One

excavating the ground around the tanks when air pressure tests were made which showed that three of the tanks were seeping gas.

All day yesterday the men of the Public Works Board flushed the sewers, and left the manhole covers off last night, placing watchmen on guard to prevent traffic accidents.

**Chief Gives Warning**  
Fire Chief Murphy issued a warning that it would not be safe to throw a lighted match in the open manholes as it was liable to cause an explosion.

The fire chief expressed his appreciation of the work done by the Fluvster Co. in assisting in locating the source of the fumes. He said that the old tanks were being taken out and would be replaced by new ones.

Fire Chief Murphy said that the first intimation received by the fire department of gas fumes in the cellars of the houses in the vicinity of the gas station were received by householders on Hurley avenue, near Washington avenue.

He pointed out that while the source of the trouble had been located, and remedied that undoubtedly the odor of gas would still be perceptible in the houses in the area for some time, until the fumes had evaporated from the ground.

**Lease Not Signed Yet by G.E. Firm On Saugerties Site**  
Continued from Page One

basement which provides practically a fourth story.

Work has been started on alterations to the plant and workmen are now placing the third story in shape for occupancy. A new floor is being laid. This section of the plant was not used by R.C.A. The plans also call for the making of a large parking grounds adjacent to the factory for use by employees.

The Saugerties Chamber of Commerce has been working on the location of the G.E. in Saugerties for some time and brought the attention of the concern to the Knaust Brothers building.

**Resume Parleys**  
Stamford, Conn., Feb. 27 (AP)—Representatives of labor and management sat down with Deputy Labor Commissioner William C. Ennis here today in a renewed effort to terminate a strike of A.F.L.-organized machinists that has kept 3,300 employees of the Yale & Towne Manufacturing Company idle since November 7.

## United States Must Cut Down on Food

Continued from Page One

of government to do everything possible to this end. But government alone is not enough.

"

**Yonkers Tercentennial**  
Yonkers, N. Y., Feb. 27 (AP)—The Yonkers Tercentennial Commission announced yesterday it planned to invite President Truman and Queen Wilhelmina of Holland to Yonkers later this year to speak on the anniversary of the city's founding.

**SEA-SNAKE FOUND**  
Children playing on the beach at Te Aroha, New Zealand, picked up a strange looking live snake three feet long and about the thickness of a man's thumb. They were unharmed but the serpent, sent to Auckland's museum, was identified as a ringed sea-snake, a poisonous type found in the Pacific islands.

## News of Our Own Service Folk

### COUNTY DISCHARGES

Additional residents of Ulster county have been honorably discharged at Fort Dix. They are: 2nd Lt. Thomas V. Polizzi, Marlborough; T/3 John A. Lindegren, T/5 John L. Brown, 1st Lt. Irving Binder, 1st Sgt. Charles E. Craft, P.F.C. Thomas J. Bradford, Cpl. Daniel A. Sheeley and T/4 Matthew D. R. Stopard, all of Ellenville; T/5 Vito J. Brenni, T/4 Giacinto J. Gialano, T/4 Joseph W. Johnson and Sgt. John C. Gariglio, all of Highland; T/Sgt. Virgil B. Van Wagner, Napanoch; T/4 Stanley S. Van Kleec, Port Ewen; T/5 William A. McKenna, New Paltz; S/Sgt. Richard W. Barringer, Cortkill; Cpl. Arne E. Suominen, Rifton; and P.F.C. John F. Renner, Saugerties.

The following Ulster county men have been honorably discharged from the army at Fort Dix: Cpl. Stanley Palmer, Jr., Ulster; P. F. C. Julius Passante and S/Sgt. Fred A. Fowler, Highland; and 2nd Lt. Patsy Cobey, Milton.

Frank J. Carpino, B. M. 2/c of Saugerties was recently honorably discharged from the navy at Lido Beach.

The U. S. Naval Personnel Separation Center in New York city announced today that Lt. (j.g.) Robert J. Howard, son of Mrs. Jean G. Howard of Rosendale, had been released to inactive duty following 29 months of service. He plans to enter the University of Virginia.

### HEADS SEABEES

ROBERT HINES

Robert Hines, electrician mate, third class, son of Mr. and Mrs. Harry Hines of 93 Pine Grove avenue, was recently made leader of one of the Seabee bands on Okinawa in the Ryukus. He enlisted in the navy in July, 1944, and received his boot training at Sampson. He was sent overseas in April, 1945. His brother, T/Sgt. Harry Hines, Jr., recently was discharged from the army after two and one half years service, 15 months of which were spent in the Southwest Pacific area.

### KINGSTON DISCHARGES

The following Kingston residents have received their honorable discharges from the army at Fort Dix: Sgt. Grove Webster, 105 Maiden Lane; Sgt. Joseph F. Murtha, 16 Tubby street; 2nd Lt. Kenneth S. Williams, 100 Wilson avenue; Pvt. Frank F. Williams, 50 Rock street; Sgt. Charles Rider,

P.F.C. Frank C. Sass, 142 Hunter street; T/5 Joseph F. Mulligan, 34 Pine street; P.F.C. Burton L. Morgan, Hinsdale street; P.F.C. Howard Galbreth, 85 Hasbrouck avenue; Cpl. Francis P. Hoffman, 630 Broadway; T/5 William G. Barberic, 7 DeWitt avenue; T/4 Theodore C. Wood, 332 Broadway; Cpl. Robert L. Strickland, 60 Clinton avenue; Cpl. Stephen Szekeres Jr., 194 Downs street; T/3 Frank Schellpeper, Jr., 17 Murphy street; T/5 Orren W. Smith, 391 Albany avenue; Cpl. John C. Casciaro, 387 Clifton avenue; and P.F.C. James J. Abernethy, 159 Pearl street.

Five additional local residents have received their honorable discharges from the army at Fort Dix. They are: Pvt. David M. Perlman, 85 Hasbrouck avenue; Cpl. Robert V. Hanley, 25 Shufeldt street; Cpl. Harry Ferrel, 77 West Pierpont street; P.F.C. Raymond J. Davis, 24 East St. James street; and T/4 Joseph A. Britt, 42 Liberty street.

The following Kingston men have received honorable discharges from the navy at Lido Beach, L. I.: William W. Hinsdale, S. 2/c, 66 Stephan street; Frank Dobie, Jr., A.R.M. 2/c, 7 Delia place; and Robert D. Williams, M.M. 2/c, 33 Furnace street.

Frederick A. Storms, Jr., F. C. 3/c, 87 Stephan street, has received his honorable discharge from the navy at Bremerton, Washington.

### WHERE THEY SERVE

P.F.C. Michael Bailey, son of Mr. and Mrs. George Bailey of this city, is now a member of the American Occupation Forces in Tokyo, Japan. He left for overseas January 9, 1945, and is now serving with the 271st Field Artillery Battalion of the 1st Cavalry Division.

Earl J. Moss of Tillson has entered active duty in the army at the 1220th Reception Center at Ft. Monmouth, N. J.

## Hitler's Crown Prince Now Battling for His Life

By DEWITT MACKENZIE  
(AP World Traveler)

Nuernberg, Germany, Feb. 27—Your correspondent has run into Reichsmarshal Hermann Goering here and is mighty glad to see him again. Because this time he is where he belongs—in the dock of the Allied court on the charge of crimes against humanity.

Hitler's crown prince is looking far better than I've even seen him, especially since he has lost a huge amount of the fat. He also seems remarkably cheerful, especially for one who is sitting on death's front doorstep. He has lost little if any of the self-confidence and ego he possessed when I saw him in action at Munich in 1938, and later in Berlin, as he and his chief were putting finishing touches on their conspiracy against mankind.

Still it isn't surprising to see Goering battling for life with a grin and a fair exhibition of nonchalance. For to give the devil his due, Hermann has never been accused of lacking physical courage. He won his spurs in the First World War, you know, with his spectacular showmanship and daring.

I was on the British front when the famous Baron Richtofen, leader of the "Flying Circus" was shot down in his crimson plane. He was Germany's greatest ace and a lot of folk wondered what would happen to the circus. They soon found out. For another leader came over in a crimson plane—and that was young Goering.

Not Much Chance for Him  
So Hitler's runnerup is making a fight of it in court. Of course he knows very well that his chances of escaping death are almost nil. However, he sticking to the old adage that while there's life there's hope—and anyway, it pleases his vanity to attract attention in a courtroom crowded with the nationals of many countries.

So Hitler's runnerup is making a fight of it in court. Of course he knows very well that his chances of escaping death are almost nil. However, he sticking to the old adage that while there's life there's hope—and anyway, it pleases his vanity to attract attention in a courtroom crowded with the nationals of many countries.

**SEEVARKIE SHOWN UP**  
The Seevarkie, an ugly little fish hung up in laboratories, weather stations and bedrooms of South Africa in the belief that it was an accurate weather forecaster, has been robbed of its claim to fame. Scientists found that what made it swing was the effect of humidity in the air on the string by which it hung. A banana hung up in the same way would act similarly, they said.

**RUBBER FINDS NEW HOME**  
Since refugee rubber planters from Pacific islands were taken there in 1942, Tanganyika has exported 3,700 tons of rubber. Dares-Salaam reports. That is enough rubber for 750,000 tires. Now the planters have gone back to the Far East but rubber production will continue.

**CAN'T KEEP GRANDMA IN HER CHAIR**  
She's as lively as a youngster—Now her backache is better. Many oldsters relieve nagging backache quickly, once they discover that the real cause of their trouble may be tired kidneys. The kidneys are Nature's chief way of getting the excess acids and waste out of the blood. They help most people pass about 30 pints of urine daily.

The disorder of kidney function permits poisons to remain in your blood. It causes nagging backache, rheumatism, but also loss of sleep and energy, loss of appetite, swelling, puffiness under the eyes, headache and dizziness. Prevent or remedy kidney trouble with efficient and lasting relief. There is something wrong with your kidneys or bladder.

Don't wait! Ask your druggist for Dose's Pills, a real successful remedy for millions for over 40 years. Don't give happy relief and will help the 14 million of kidney trouble. Get Dose's Pills today. Get Dose's Pills today.

### COAL AIDS POLAR REGION

During the war, Russia built up a great coal industry around the town of Verkuta, in the Arctic regions west of the River Ob, far away from the battlefields. Moscow reports. In this forbidding wilderness there is now a thriving industrial area which

the Russians call the Trans-Polar Donetz Basin.

### GYPSIES MOVED ON

A gypsy tribe recently embarked citizens of Valdivia, Chile, by camping on a site adjoining the leading tourist hotel in the center of the city. With lack of

sanitation as an excuse, the city authorities ordered the gypsies to move to the outskirts of the town.

In normal times, British farmers are able to produce 40 per cent of the food needed for the nation.

## SAUGERTIES NEWS

Saugerties, Feb. 27—The local people were again generous and during the clothing drive contributed over 1,600 garments to the collection depot at the Clum store on Main street. Frank Hildebrandt, the general chairman gave a report that 80 bales of clothing has been shipped to New York city, which includes over 900 pairs of shoes. The local people are to be congratulated for their fine spirit of doing unto others as they would have others do unto them.

The Atoneum Lutheran Church has contributed a number of Bibles to the Dale Sanitarium. This is to replace those destroyed by fire in the former sanitarium.

Notice has been given that any one knowing the whereabouts of pheasants in the local area are asked to notify Harold Mills or Ernest E. Shriver. The heavy fall of snow has made the wild animals and birds unable to find sufficient food and the local Fish and Game Club has given this matter their consideration.

Mrs. Herman Peters of Elm street this village who celebrated her 100th birthday on February 14 received an orchid from "Breakfast at Hollywood" which is in charge of Tom Breneman and is on the radio weekdays at 11 o'clock.

The Rev. William T. Renison has returned to the Trinity rectory from the Benedictine Hospital where he has been a patient.

The Saugerties Monday Club held their meeting at the Reformed Church basement on Monday afternoon with Frank W. Mason of the local schools faculty as the principal speaker.

The next regular meeting of the Town Board of the Town of Saugerties will be held on Friday evening, March 1. At that time the matter of purchasing a Standard P. & H. Model 150, 1/2-cu. yard shovel, price not to exceed \$500 will be taken up.

The Literary Club of the local high school are making plans to make a trip to Albany on Saturday, April 13. The trip will be financed by the sale of pencils.

Lieut. David Schoentag, U.S.A., has been promoted to the rank of captain. Captain Schoentag is now in Florida.

The regular meeting of the Malden Parent-Teachers Association will be held this Wednesday evening at 8 o'clock. The program will be under the direction of Mrs. Frank Steenken and a large attendance is expected to attend this meeting.

A daughter has been born to Mr. and Mrs. William Hung of High Woods and a son has been born to Mr. and Mrs. Leighton Myers also of High Woods at the Dale Sanitarium. Dr. Sonking attended at both births.

On Thursday, February 28 a blanket tax program will be given in the high school assembly. Alonzo W. Pond, anthropologist will give a talk and pictures on cave life.

Rudolph Wasserbach of Cedar Grove has purchased the John Meyer property in West Saugerties and plans to move there later in the year with Mrs. Wasserbach.

The Girls' Community Club has contributed the sum of \$5 to the Christmas Baskets Fund.

The fourth quarterly conference and annual congregational meeting of the Saugerties Methodist Church was held on Sunday evening. A short worship service was given and Dr. Arthur G. Carroll, district superintendent, presided at the conference. Reports were read and business of the church was discussed and later refreshments and social hour was enjoyed.

Frank Reis of Ruby was operated upon at the Kingston Hospital last Wednesday. Drs. Sonking and Johnson attended him.

Lieut. Evaline P. Mayhan of the U. S. Army Nursing Corps has received her honorable discharge from service and has returned to her home with her parents, Mr. and Mrs. Charles McNally on Washington avenue.

Miss Margaret Hommel of Katsbaan has been admitted as a patient at the Dale Sanitarium for treatment.

Mrs. Clarence Link of Washington avenue has been quite ill the past week and is now improving nicely.

The Saugerties Society of Little Gardens will hold their meeting at the residence of Mrs. E. C. Reed on Main street this Wednesday. The topic will be "Conservation" and a guest speaker will be present.

Only one property was offered for sale at the village tax sale and that was a vacant lot at the corner of Washington avenue and Finger street, owned by Robert Finger and bid in by Clyde F. Gardner for the tax due of \$19.06. The sale of only one property is a record of unpaid taxes in this village.

Louis Francello has opened an office for the practice of law in the Lerner Building on Partition street. He was associated with the law firm of Ungerman & Lynn in Albany.

Mr. and Mrs. Harry Whitney, who were married in Kingston on Sunday will reside in the Matilda F. Hauk apartment on Washington avenue.

The card and bunco party held in the municipal building on last Wednesday evening by the Glen-

Relief At Last  
For Your Cough

Creamulsion relieves promptly because it goes right to the seat of the trouble to help loosen and expel germ laden phlegm, and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes. Tell your druggist to sell you a bottle of Creamulsion with the understanding you must like the way it quickly allays the cough or you are to have your money back.

erie Ladies' Club was a social and financial success and over 200 tickets were sold. The proceeds will be donated to the Relief of the Cancer Poor, Rosary Hill Hospital.

A memorial has been donated by Mrs. John Dixon of Beckley street to the Dale Sanitarium. The gift is a communion tray and crucifix to be used by the Catholic patients and is in memory of her husband, the late John Dixon, who died on July 21, 1945.

Announcement has been made of the engagement of Doris Legg of Ann street to Edward Van Wart of Malden avenue. No date has been set for the wedding.

Announcement has been made of the engagement of Dorothy Simpkins of Harrison, N. J., and formerly of this village to Edward Van Keuren, U.S.N., of Bridgeport, Conn.

Miss Sally Russell of this village has returned to her home from the Kingston Hospital where she underwent an operation.

Candidates for re-election at the coming municipal election to be held on Tuesday, March 19, between 4 and 8 p. m., will be John Sauer, Frank Hughes and Henry York who has consented to run.

Announcement has been made of the engagement of Miss Marion Kenney, daughter of Mr. and Mrs. Vincent Kenney of this village, to Richard Thornton, son of Mr. and Mrs. Eugene Thornton, of Bennett avenue.

Mrs. T. J. Yahnske of this village has returned after visiting her daughter in Redwood.

William MacFarland, who has been seriously ill at his home on Cole Place is recovering nicely.

New Chemical Is  
More Deadly on  
Flies Than DDT

Washington, Feb. 27 (AP)—Congress heard today of a new insecticide seven times as effective against flies as DDT but lacking any such popular nickname.

It still is known by its full laboratory name, Benzene Hexachloride.

Disclosure of the new material was made to the House Appropriations Committee during hearings on the 1947 Agriculture Department supply bill which went to the House floor today.

Preliminary tests, department

experts told the committee, showed Benzene Hexachloride to be seven times more toxic to flies than its war-famed cousin, DDT, and effective against many insects not bothered at all by DDT.

"It has shown the most encouraging results of the whole group of cotton insects of any material we have found," the department reported.

But not all the news about Benzene Hexachloride is good, the department admitted. It is "extremely toxic" to bees, while DDT is not.

The song of the hummingbird is so high-pitched that human ears cannot record it.

A synthetic straw, treated with water-repellent, has been developed for handbags and hats.

## Bills Proposed at Albany

Albany, N. Y., Feb. 27 (AP)—State civil service retirement pensions would be regulated according to a cost of living index under terms of a bill introduced today by Senator Seymour Halpern, Queens Republican.

"Civil employees, as well as those in private industry, have been the beneficiaries of rise in the cost of living bonuses . . . Halpern said. "But the person who receives retirement allowances is still on the same scale as in the days of the past."

The bill would require the industrial commissioner to prepare

a quarterly cost of living index for the state.

Meanwhile, the Assembly passed yesterday a bill to increase the annual value of the 3,000 Regents scholarships from \$100 to \$350, and the Senate passed a measure to increase the number of war service scholarships from 2,400 to 3,600. Both bills have Governor Dewey's endorsement.

Other bills would: Continue to March 31, 1947, the temporary state commission on formulation of a long-range state health program; appropriate \$30,000. (Senator Frederic H. Bontecou, R. Poughkeepsie and Assem-

blyman Lee B. Maillier, R. Cornwall-on-Hudson).

Require the State Racing and Harness Commission to fix servicemen's race track admission charges at one-half general admission. (Assemblyman Frank J. Becker, R. Lynbrook).

**OLD RUINS UNEARTHED**  
Archaeologists digging in the garden of a home in Colchester, England, found remains of a house they believed was destroyed in the year 61. In her rising against the Roman tyrants the British Queen burned Camulodunum, as Colchester was called, and the ruins just found are thought to be part of the town.

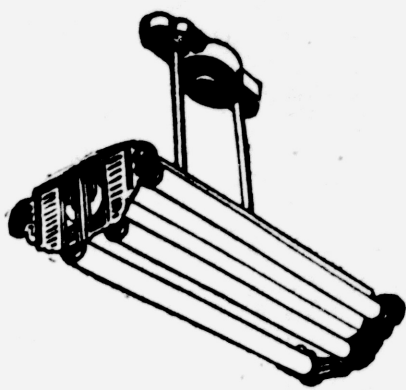

Galileo demonstrated in 1632 that the earth revolved around the sun.

One nylon stocking cost about a mile and a quarter of a ton yarn.

Note to  
Storekeepers

YOU'LL BE INTERESTED  
IN THIS STORE . . . . .

Good store lighting is one of the main requirements for any new store. Most merchants will agree that good lighting is one of their most effective aids in selling goods.

However, the average merchant is faced with many problems where lighting is concerned. He cannot afford too much outlay for equipment; he must operate economically; equipment must be easy to clean and maintain since he must usually do the work himself.

**STOREKEEPERS:** You are invited to inspect this store. You are also invited to avail yourself of the free planning service which this company offers. Our lighting engineers will gladly make a lighting plan of your store. This costs you nothing and places you under no obligation.

The lighting recently installed in McKeon & Golar's new store, 238 Main Street, Beacon, takes the problems of the average merchant into account. It is outstanding for these reasons:

- Fixtures are new design—long, continuous lines of light which seem to reach out and pull customers into the store.
- Fixtures are easy to maintain. To clean or change lamps it is not necessary to remove extensive glassware. The lamps, being open, just need an occasional dusting.
- Plenty of switches. Lights may be used in various combinations giving any level of light at any hour.

## What Is Russia Up To? Is Asked

Continued from Page One

Is unless we re-establish the habit of saying only what we mean and meaning every word we say." He asked, adding: "I have the feeling it is the way to win Soviet respect and Soviet trust. Respect must precede trust and both are indispensable to peace."

### Less Interested in Peace

The Michigan senator declared that in the London controversy over proposed withdrawal of British and French troops from Lebanon and Syria, Vice Commissar Vishinsky "seemed less interested in helping Lebanon and Syria than he was in baiting France and Britain—less interested in peace at this point than he was in friction."

Vandenberg said he was not complaining that Russia speaks, as Vishinsky did in the Security Council.

"I am glad she speaks," he said. "That is what the forum is for. It is for others, too—just as Mr. Bevin used it upon more than one eloquent and courageous occasion. All should feel an equal freedom, an equal duty, and an equivalent responsibility."

Vandenberg said it would be impossible to over-emphasize the importance of our own roles and our own performance in such epochal events, and the need for positive foreign policies as our consistent guide."

The Michigan senator said he had sensed in London "what seemed to be too great a tendency to lapse into power politics." He said he missed "the uplifting and sustaining zeal for a great, crusading moral cause that seemed to imbue the earlier charter sessions at San Francisco."

Nevertheless, he expressed confidence that the United Nations had shown it can cope with world problems, adding:

"I return in the belief that it can succeed unless Russia, Britain and the United States, individually or collectively, make it impossible."

### Group Favoring U.N.O. Rakes Rival Faction

Greenwich, Conn., Feb. 27 (AP)—A group of citizens favoring establishment of the United Nations Organization's world capital in the Westchester County, New York and Fairfield County, Connecticut, area charged the opposing Greenwich People's Committee with "misrepresenting" facts concerning the world capital plan.

Approximately 800 Greenwich residents attending a meeting sponsored by the Greenwich Committee or the U.N.O., cheered wildly last night when Clay M. Eichelberger, Executive Director of the United Nations Association, asserted:

"Never has a community been offered a greater opportunity than Greenwich. If the headquarters are in your area, there will be concentrated all the hopes and dreams of the world."

Secretly Arrested

Alfred Secreto, 39, of 3 Second avenue, arrested last night by his wife on a charge of third degree assault, had his hearing adjourned to Thursday in police court. Bail was fixed at \$200.

## SEARCHING SUSPECTS AFTER TENNESSEE RIOTS

Tennessee state highway patrolmen are shown registering and searching a group of negroes arrested following rioting at Columbia, Tenn., during which four policemen and several negroes were wounded. (AP Wirephoto).

## French Action Annoys British

### Spanish Frontier Closing Depreciated as Not Helping Muddle

London, Feb. 27 (AP)—A British Foreign Office spokesman deprecated today the action of the French-Spanish frontier closed on March 1. Such incidents, he said, were likely to prolong Generalissimo Francisco Franco's regime by making the Spanish chief of state "a national hero instead of a refugee."

The spokesman emphasized again, however, the official British line toward Spain as stated in Parliament by Foreign Secretary Ernest Bevin—that Britain "detests" Franco and wants to see a "popularly supported" government in Spain.

The spokesman said the United States had sent a note to Britain discussing the possibility of an interim government in Spain when and if Franco was forced out.

The spokesman declined, however, to make known the details of the note. He said the note also was addressed to the French government.

### Other Unions Back Local Garment Workers

The Central Labor Union and the Kingston Metal Trades Council are backing the campaign to improve wages and working conditions of garment workers in the Kingston area, it was emphasized today by George E. Yerry, president of the Central Labor Union and business agent of the Metal Trades Council.

The campaign to unionize the garment workers of the city was announced yesterday by Morton Goodman, manager of the Hudson Valley district of the International Ladies' Garment Workers' Union.

Mr. Goodman said that headquarters have been opened at 277 Fair street.

Mr. Yerry said that the Central Labor Union and the Metal Trades Council were backing the campaign 100 per cent.

In the drive to organize the garment workers, Mr. Goodman will be assisted by a staff that includes Louis Schaffer, J. J. Schneider and Edward Burns.

## Deny Ribbentrop Bid to Summon Churchill to Trial

Nuernberg, Feb. 27 (AP)—The International Military Tribunal denied today Joachim Von Ribbentrop's plea that Winston Churchill, Edouard Daladier and other pre-war Allied leaders be summoned as defense witnesses in the war crimes trial of 22 Nazi leaders.

The Tribunal rejected 22 names of a list of 38 submitted by the former German Foreign Minister and also trimmed sharply the lists submitted by defendants Hermann Goering and Field Marshal Wilhelm Keitel.

The Tribunal's action led prosecution sources to predict the entire defense case could be completed within seven weeks.

In rejecting Ribbentrop's request for Churchill and other witnesses from Britain and France, the Tribunal said "it appears that their testimony would be irrelevant or cumulative."

Ribbentrop's lawyer had argued that Churchill uttered threats at the German Embassy in London that England might destroy the Reich and that these threats had frightened Adolf Hitler into committing the aggressive acts behind the charges on which the present trial is based.

### Clothing Workers Ask For Support of Bill

In a letter addressed to Senator Arthur Wicks and to the chairman of the Senate Labor and Industry Committee and the chairman of the Assembly Labor and Industries Committee, Local 186, Amalgamated Clothing Workers of America ask support of the Greenberg-Austin Bill.

The bill is patterned on the federal Pepper-Hook Bill. It provides for a 65-cent per hour minimum the first year; a 70-cent minimum the second year; and 75-cent hourly thereafter; an eight hour day, 40-hour week, with time and one-half for over time. The request continues: "With the Pepper-Hook Bill receiving active consideration in Congress, it is urgent that our State take the lead in immediately passing the Greenberg-Austin Bill. This piece of legislation is essential in view of the continual rise in living costs in our State. Underpaid workers are a danger to all of us. Their living and health standards are far below basic essentials. Real prosperity is impossible unless the workers receive a decent minimum wage." Members of Local 186, Shirt and Pajama Workers Union, are asking that the bill be reported out immediately and passed by the Legislature.

### Japs Plead Innocent In Dooming Fliers

Shanghai, Feb. 27 (AP)—Four former Japanese officers pleaded innocent today to charges of complicity in the execution of three Doolittle fliers and their trial was set for March 11.

The four were arraigned before a U. S. military commission in striking contrast between American justice and the Japanese court-martial that decreed death for Lt. William G. Farrow, Lt. Dean E. Hallmark and Sgt. Robert Spatz.

The defendants are charged with trying the fliers on trumped-up charges, without allowing them defense council or even an interpreter.

The defendants include held little Lt. Gen. Shigeru Sawada, former commander of the Japanese 13th Army in Shanghai, accused of ordering the court-martial.

California's first sugar beets were raised experimentally in 1869.

## Iran Protests Russian Delays

### Soviets Pledge Removal of Troops but Army Still Remains

Tehran, Iran, Feb. 26 (AP)—A Soviet Embassy official gave assurance today that Russian troops would be withdrawn from northern Iran but the Iranian Foreign Ministry and military observers said there was no apparent sign of a Russian evacuation.

An American officer said he believed it was "impossible" for the Russians to withdraw by March 2, the date agreed upon for the evacuation of all foreign troops from Iran.

Iranian officials complained a few weeks ago to the United Nations about the actions and presence of foreign troops in northern Iran in connection with an autonomy movement in the northwestern province of Azerbaijan, charging there had been "a number of interventions in Iranian affairs by Soviet authorities."

The United Nations Security Council disposed of the complaint by referring it to the Soviet and Iranian governments for direct negotiations, retaining the right to call for progress reports.

Iranian negotiators, headed by Premier Ahmed Quavam Es Saltaneh now are in Moscow.

### Larger Payments

Washington, Feb. 27 (AP)—Families of service personnel who die in aircraft accidents in the future may be paid \$10,000. Senator Mc-

Kellar (D-Tenn.) submitted for Senate consideration a letter from the War and Navy Secretaries saying that "in recognition of the fact that all personnel of the services are now required to fly in connection with their official duties" the special death payment is proposed.

### Forfeits Bail

Ludwig Bechar, 50, of Milton, charged with parking his auto on a crosswalk Tuesday afternoon, forfeited \$2 bail when he failed to appear in answer to the charge today in police court.

## Sellout Crowd Is Indicated For Ferraro-Sparando Match

**Better Bowling**  
By Billy Sixty

**Reserve Seats Will Be Sold Only for Three Blocks; Seating Space Is Limited**

Reserved seats for the Johnny Ferraro-Tony Sparando \$1,000 match will be sold only for all three blocks, it was announced today.

Persons who purchase a ticket for three blocks will have top priority in the limited number of duet sales.

Early indications are that the Central Recreation will be jammed for every block of the match, but seating facilities are such that only a limited number of reserved seats can be sold in advance.

In order to provide maximum seating capacity for the final blocks on March 17, the 30-game series will open on alleys 7 and 8, Saturday night, March 16 at 9 o'clock. With this arrangement, double bleachers will be available for the concluding blocks on Sunday.

Charlie Tiano, who is promoting the match, announces that orders for tickets will be taken at the Central Recreation alleys. The reserved seats will be disposed of on first-come, first-served basis.

The price of tickets is published elsewhere in an advertisement in today's Freeman.

**'Y' Five Defeats Chatham, 57-47; Juniors Stopped**

Coach Lou Schafer's Y.M.C.A. basketball team gained an even split in Monday's double-header in Chatham when the juniors suffered a 54-51 defeat and the varsity scrambled to a 57 to 47 victory.

In the preliminary tussle Chatham took a 29-20 lead in the first two periods of play and managed to protect itself against a Kingston uprising in the final chukkers. It was the team's first loss in 19 games. Games was high scorer in the game with 19 markers. Petersen flipped in 12 and Rowland came through with 11. Passetta of Chatham scored 13.

Another closely-fought battle occurred in the main attraction. After two sessions the score was knotted at 16-16. Then in the final stages the 'Y' basketballers started moving and quickly put the game on 'ice.' Al Thomas, who drilled the nets for 13 points, and Kelse, paced Kingston to that victory. Smith was high for Chatham with 15 markers.

## Bowling

### K.B.A. Tournament

Vernon Freese, secretary of the Kingston Bowling Association, has announced the doubles and singles schedule for the 1946 city championship tournament which will be rolled at the Central Recreation alleys this week-end, Saturday and Sunday, March 2 and 3.

Following are the events scheduled for Saturday, March 2:

**Doubles—5:30 p. m.**  
J. Kessler-M. Friedman (B).  
Roy Houghtaling-E. Jordan (B).  
J. Martin-J. Raymond (B).  
L. Jacobs-M. Levy (B).  
P. Stevenson-R. Stalter (B).  
E. Schom-C. Timmer (B).  
F. Bartroff-A. Thiel (B).

**Singles—6:15 p. m.**  
J. Kessler (B)-M. Friedman (B).  
Roy Houghtaling (B)-E. Jordan (B).  
J. Martin (A)-J. Raymond (B).  
L. Jacobs (B)-M. Levy (B).  
D. Levy (B)-R. Abelow (B).  
P. Stevenson (B)-R. Stalter (B).  
C. Timmer (B)-F. Bartroff (B).

**Doubles—6:15 p. m.**  
M. Solomon-A. Cohn (B).

**Doubles—7 p. m.**  
J. Sangi-P. Masters (A).  
H. Smith-E. Alward (A).  
Petersen, Sr.-Petersen, Jr. (A).

**Singles—7:45 p. m.**  
M. Kellenberger-C. Tiano (A).  
L. Van Alstyne (B)-C. Griffin (B).

**Doubles—8:30 p. m.**  
C. Robinson-W. Williams (B).  
H. Osmer-E. Terwilliger (A).  
J. Schrowang-L. Weishaup (A).

**Singles—9:15 p. m.**  
A. Heisman-W. Burger (B).  
R. Fredericks (B)-O. Carney (B).  
Joe Sangi (A)-A. LaRocca (B).

**Doubles—9:15 p. m.**  
G. Dittmar-H. Pierce (B).  
The schedule of doubles and singles events for Sunday, March 3, will appear in Thursday's Freeman.

## War Experience Is Likely To Aid Baseball Careers

**Ott and McCarthy Are Satisfied With Early Showing of Their Ex-G.I. Players**

Miami, Fla., Feb. 27 (AP)—Those who have been worrying about whether ball players returning from the service would be able to resume their diamond careers without great loss of efficiency can begin to relax. Most of the boys are going to do all right.

The observation is a considered one, arrived at after a fortnight of watching the veterans perspire under the Florida and Panama suns and talking with many of them and their managers. The latter, especially Joe McCarthy of the Yankees and Mel Ott of the Giants, both of whom got exceptionally early starts, are about ready to concede that their fears were groundless.

For one thing, the men who were carrying guns and flipping planes about this time a year ago have been through the rigors of training with a studied seriousness that no other spring ever witnessed. They have worked harder than any other men in the camps. Many of them began preliminary training months ago.

**Mize Looks Great**

Some of them—a specific example being Johnny Mize of the Giants—are in as good or better physical shape already than they were when they entered the service. Mize is about 25 points trimmer than he was in 1942 and looks great. Little Phil Rizzuto, the Yankee shortstop, already is doing such a dervish act that he will be made an honorary citizen of Panama any day now.

"If anything, the war experience is likely to add several years to a player's career," observed Buddy Hassett of the Yankees, himself a returnee. "While they were in uniform they had plenty of time to realize how nice it was to play ball for a living and how important it was to keep themselves in shape. From now on watch them obey the rules."

Manager Ott of the Giants fully agreed, saying he already had detected a difference. He mentioned a player or two who, before the war, had been known to color the Florida night, but who had suddenly become ardent drinkers of orange juice and devotees of the simple life.

"I haven't any doubt that most of my veterans are going to step right back into their jobs and do all right," Ott said. "That is, the ones who still were in their prime when they left. Of course, the ones who are up around 36-37 now are going to find it tough to win their places back, but you've got to consider that they would have been in the same position if there hadn't been a war."

Joe DiMaggio of the Yanks, to take an outstanding example of the returning star, looks just about like he did in his last season, 1942, when he made 186 hits for 304 bases. There appears to be the same explosive power at the plate and the same smooth grace in the outfield.

**DIMAG Is Confident**

In one of the Yanks' first inter-squad games he smashed what local fans declared to have been the longest homerun ever hit out of the Balboa Stadium, and he has been murdering the best pitching in Panama in the current series of exhibition games. It is not bad pitching, either, for the Panama boys are professionals and they are just winding up a six-months season.

"It's good to find out that the old power is still there," Joe said. "I don't suppose my batting eye is quite right yet, but I think it will come around."

Joe Gordon, who before the war ranked with the greatest of second basemen in field skill, has been a little slower regaining his form. He can't yet move quite the way he once did, and in comparison to his scamping teammate Rizzuto, he possibly looks a little dull to the Panamanians. Gordon is not worried, however, and neither are the Yankees. Joe at a little less than his best still would be a welcome addition to any club.

**Mosconi Paces Caras**

Buffalo, N. Y., Feb. 27 (AP)—Defending champion Willie Mosconi of Birmingham, N. Y., led challenger Jimmy Caras of Philadelphia 3,810 points to 3,037 today in their cross-country world pocket billiard championship title match. Mosconi defeated Caras 125-56 last night in the 36th of their 86 back match.

Salem, Mass.—Tommy Greb, 129, Boston, outpointed Tony Roberts, 123½, Winnipeg, Man., (10). Johnny Mara, 155, Boston, was disqualified for kicking Frank Young, 152, New Bedford, in the sixth and final round.

**Three Schools Accept**

Glens Falls, N. Y., Feb. 27 (AP)—Three high schools now have accepted invitations to compete in the 24th Eastern States Basketball Preparatory School of Orange, Va., telegraphed acceptance of a bid yesterday for the event which will be held here March 28, 29 and 30. Other entries so far are LaSalle Military Academy, Oakdale, L. I., defending champion, and Holyoke, Mass., high school.

## In The Pocket

Perhaps the greatest single factor militating against Johnny Ferraro in his forthcoming \$1,000 duel with Tony Sparando, is the marathon route.

Bowling 20 games in a single day under tournament pressure is a new experience for the Hudson Valley champ. It's old stuff for the smooth-striding Sparando.

Everything else being equal, that item could be the decisive factor. The big-time "sharps" don't awe Ferraro. Ask Joe Falcero or Andy Varipapa. Ferraro whipped both of these stalwarts in short matches. His biggest task is gearing himself for that 20-game grind on March 17. Already he has launched an intensive conditioning campaign toward that goal.

**CRUCIAL MATCH SATURDAY FOR VAN KLEECK'S**

From a purely local standpoint, the best Hudson Valley attraction of the season is scheduled Saturday night, when the league-leading Van Kleeck's square off against Jones Dairy.

This is one of those intra-natural feuds in which most of the pressure is on the leaders—Van Kleeck's, who are fighting desperately to protect a five-game lead over Newburgh Finnegans. Jones Dairy isn't going anywhere in the race and will enter the match with only one idea in mind—shatter the Van's pennant hopes.

Battling a home town rival is the toughest Hudson Valley assignment of all. In the days when we piloted a league crew and were loop secretary, we made sure the Kingston opponents were booked early—and not too often. Our prediction for Saturday night—Van Kleeck's 2, Jones Dairy 1.

**Flotsam and Jetsam**

Dot Flemings and Evelyn Moore have cooked up another of those "mixed matches" for Thursday. The unwilling victims will be the Independent Married Men, appearing by special courtesy of their wives, who will chaperone the affair. . . . Marty Cassio, taking over the lead in the World-Telegram Individual Classic, blasted an 181 total for 8 games against Charley Wendy at Metro Forest Academy. . . . Cassio hit 208, 258, 226, 224, 184, 247, 268, 264. . . . Mike Pettito, Brooklyn keger, is credited with 44 perfect scores of 300. . . . Joe Falcero and Andy Varipapa each have 60.

**Local Cleanings—Independent**

League highlights—F. Schick had his ups and downs from 211 to 113. Manager Billy Southworth's double workout programs, he obligingly dropped the drills to one session a day. But now the Boston hopefuls want him to resume his original schedule for the first single practice, which opened in the morning, ran through the lunch hour and actually lasted 15 minutes longer than the twin session did.

**Cooper Out April 2**

Miami, Fla., Feb. 27 (AP)—The New York Giants were elated today by the news that catcher Walker Cooper, their \$175,000 buy from the St. Louis Cardinals, will be discharged from the Navy on April 2. Ace Adams, the iron man reliever hurler, arrived yesterday and found the camp deserted. The players had been given a holiday by Manager Mel Ott and all were either fishing or golfing.

**Stars of Yesteryear**

November 5, 1935—City League—Walt Burgher 628, Tom Rowland 632, Y. Mercante, November 7, 1935—W. Thiel 662, Stubby Jordan 204-251-202-657, City League, November 19, 1935—M. Kellenberger 201-197-222-620, December 3, 1935, Ed Modjeska 642, Homer Emerick 605.

## The Weather

WEDNESDAY, FEB. 27, 1946  
Sun rises, 6:43 a. m.; sun sets, 5:44 p. m., E.S.T.  
Weather, cloudy.

**The Temperature**  
The lowest temperature recorded by the Freeman thermometer during the night was 19 degrees. The highest point reached up until noon today was 21 degrees.

**Weather Forecast**  
New York city and vicinity—This afternoon cloudy with brief showers and warmer; highest temperature 40 to 45, gentle to moderate easterly winds. Tonight cloudy, with showers. Lowest temperature near 30, moderate easterly winds. Thursday cloudy, with slow clearing in the afternoon, highest temperature 30 to 35, moderate northeast winds becoming northwest.  
Eastern New York—Snow and continued cold in the interior, occasional rain and warmer on the coast today, cloudy, not much change in temperature tonight. Thursday cloudy and colder, with occasional snow or freezing rain in north portion.

Florence E. Althiser of Saugerties to Thomas M. and Lucy E. McCann of Saugerties, land in town Saugerties.

## February Milk Pool Brings Record Prices

New York, Feb. 27 (AP)—Dr. C. J. Blanford, New York metropolitan milk market administrator, predicted today a record uniform price of \$3.35 per hundredweight for February milk deliveries to pool plants in the six-state milk shed.

The anticipated price will be the highest ever paid for February milk, Blanford said in a statement, adding that the forecast included a butterfat differential of 46 cents for each tenth of a point of fat in excess of the 3.5 requirement.

Comprising the six-state area are New York, New Jersey, Pennsylvania, Connecticut, Massachusetts, and Vermont.

## War Department Agrees To Hear Hicswa Family

Washington, Feb. 27 (AP)—The War Department has agreed to hear relatives and friends of P.F.C. Joseph E. Hicswa in its review of the young New Jersey soldier's death sentence in Japan. Rep. Towse (R-N.J.) said today. The hearing tentatively is set for 2 p. m., (E.S.T.) March 2, in the Pentagon Building.

Hicswa, 20-year-old soldier from Wallington, N. J., is under death sentence for the slaying of two Japanese civilians in the Japanese city of Nara last November 24, the night before he was to have started preparations for returning home on re-enlistment furlough.

**CHICKENS PAY TAXES**  
A wily tax collector in the Kwantung Province of China has an ingenious method of collecting revenue. Chungking reports. To each peasant he delivers a young chicken worth about 20 cents. When the birds have grown enough to be worth 80 cents they must be returned to the tax collector. He then sells the chickens, deducts his salary from the profits and forwards the balance to the treasury.

## Rosendale Red Cross Drive Committee

Freeman Photo

## Rosendale Red Cross Group Maps Plan for Quota Drive

"The war is over—but not for the American Red Cross," Mrs. Joseph Craig, secretary of the Ulster County Red Cross, told a meeting of workers of the town of Rosendale, last night at the Valley Inn in Rosendale.

Plans were mapped for the Rosendale drive to raise the town's quota of \$700. Ulster county's quota for the 1946 campaign is \$46,000.

"The Red Cross has a very definite role in the postwar period," Mrs. Craig continued. "There are still hundreds of thousands of young men in service overseas, in hospitals, recuperation centers and

in remote areas who are aided greatly by Red Cross activities. These functions must be financed and annual drive for funds is the only medium."

**Mollenhauer Chairman**  
Henry Mollenhauer, chairman of the Red Cross drive for the town of Rosendale, gave a short talk introducing Mrs. Craig. Mrs. Hubert Service, director of the Red Cross of the Ulster County Chapter, also was introduced.

Frank Connell, who has just been discharged from the army after 3½ years' service, stated that the Rosendale basketball team would put on a benefit game

decorated with red, white and blue candles and crepe paper. After the dinner a fine program consisting of community singing led by Fred Almack with Mrs. George Boyce at the piano. There was also a talk by Lee Hamner, reading by Mrs. William Powell Jr. and Donald Fries. Stanley Miller and John Powell returned service men told of some of their experiences during the war. A quartet consisting of Fred Almack, Stanley, Richard and Robert Miller rendered a selection. The program closed with all singing the Star Spangled Banner. The kitchen committee was Fred Heidke, chairman; N. T. Cocks and Lee Hamner. Several of the young men of the congregation acted as waiters.

There will be regular preaching services in the church next Sunday at 11 o'clock and Sunday school at 10:15. Everyone is most cordially invited to attend. Union Lenten service begins on Sunday, March 10, at 8 p. m. A community class for young people who wish to unite with the church on confession of faith is held in the parsonage each Sunday during the Sunday school hour. Those who wish to unite by letter are requested to speak to the pastor.

**Charge Jap Officer With Death of 1,000**  
Tokyo, Feb. 27 (AP)—Lt. Gen. Shiyoku Kou was charged by Allied headquarters today with responsibility for the deaths of approximately 1,000 American prisoners who were being transferred from the Philippines to Japan, and for the massacre of 143 others in 1944.

The charges were forwarded to Lt. Gen. Wilhelm D. Styer, commanding general of Western Pacific Army forces in Manila for early trial. It took 14 typewritten, legal-size papers to recite the Allied accusations against the former commandant of prisoner of war and civilian internment camps in the Philippines.

Kou, also known as Ko and who may be a Korean, is held at New Bilibid prison on Luzon.

Use a dust cloth or dusting mitt in each hand to get the dusting chore done in half the time.

The goldfinch sings as it flies.

for the Red Cross in March, date would be announced later.

Chairman Mollenhauer gave a pep talk to all the workers and designated the section in which they were to solicit funds for the drive. Walter Williams, of Williams Lake is to take care of the hotel and resort end. Mrs. George Mollenhauer was made secretary and Henry L. Dittmar, publicity director.

Mr. Mollenhauer said that he hoped all workers would do all they could to put this drive over the top and that the town of Rosendale would get its quota of \$700 this time. He asked the secretaries to contact all the organizations in town and ask them to contribute to the fund.

Those present were: Mrs. D. Haines, Tillson; Mrs. Gladys Clark, Tillson; Mrs. George Mollenhauer, Tillson; Mrs. Irene Conrad, Binnewater; George Kraft, Binnewater; Mrs. Floyd Every, Binnewater; Mrs. Irene Yunker, Binnewater; Mr. and Mrs. William Meier, Rosendale; Miss June Freer, Binnewater; Miss Susan Hornaker, Rosendale; Miss Evelyn Fagher, Whiteport; Mrs. J. Kelsch, Maple Hill; Mrs. Vonahomen, Creek Locks; Mrs. Helen Bordenstein, Bloomington; Mrs. J. Connelly, Rosendale; Mrs. George Winters, Rosendale; Mrs. A. Bodie, LeFever Falls; Henry L. Dittmar, LeFever Falls; Frank Connell, Rosendale. Those unable to attend were: Mrs. Hazel Freer, Binnewater; Mrs. Oliver Keator, Tillson; Mrs. Myrtle Marx, Tillson; Mrs. J. Gallagher, Tillson; Mrs. S. Krom, Rosendale; Mrs. Betty Phillips, Tillson; Mrs. Grace Hicks, Rosendale; Mrs. Edna Beach, Tillson; Mrs. Ralph Burger, High Falls.

## Poignant Last Letters Reveal Courage of Doolittle Fliers

Tokyo, Feb. 27 (AP)—George Thomas Folster, N.B.C. correspondent, said today that three of General Doolittle's fliers wrote words of encouragement to their families only 24 hours before they were executed by the Japanese in China.

Folster said he obtained from Japanese files marked "extreme secrecy, military affairs," copies of the letters and wills written in October, 1942, by Lt. William G. Farrow, Darlington, S. C.; Lt. Dean E. Hallmark, Dallas, and Sgt. Robert Spatz, Lebo, Kas.

Members of the Doolittle party that raided Tokyo April 18, 1942, from the carrier Hornet, the three crash landed in China, and were captured and executed. Other captured fliers were saved by personal intervention of the Emperor.

Folster said Farrow wrote: "You told me once to complete the good life you started as a missionary. Well, unfortunately, I'm unable to do so. Goodbye to all of you. I'm sorry it had to happen this way. Chin up, and help mom, will you?"

**Poignant Farewells**  
"I will say my last goodbye to you. My personal property consists of my clothes. If I have inherited anything since I became of age, I will give it to you. I want you to know that I love you—and God bless you," Spatz wrote.

Hallmark wrote: "It still seems that I am in a dream and can't believe what is happening. Mother, you try to stand up under this—and pray. Well, I will close now and not write any more. I do not know how to end this letter, but will

## Lenten Services Are Scheduled at Trinity Lutheran Church, Theme Is Announced

The following schedule of 1946 Lenten and Easter services will be held at Trinity Lutheran Church, 1100 Broadway, New York City, during the Lenten season.

**March**  
3—Sunday before Lent, 11 a. m. service, theme, "The Presence of the Cross."  
6—Ash Wednesday, 7:30 p. m., Christian Leadership.  
13—Second mid-week Lenten service, 7:30 p. m., Christian Discipleship.  
20—Third mid-week Lenten service, 7:30 p. m., Christian Discipleship.  
27—Fourth mid-week Lenten service, 7:30 p. m., Christian Discipleship.  
**April**  
3—Fifth mid-week Lenten service, 7:30 p. m., Christian Discipleship.

## High School Girls Invite Highland Team For Basketball Game

The Kingston High School Leaders Club will play host to a team from Highland High School in an invitation basketball game Thursday afternoon in the KHS gymnasium. Some of the girls who will represent Kingston in this game are: Gladys Guss, president of the Kingston Leaders Club, Mary Dolan, Shirley Horbeck, Eleanor Mayone, Rheta Stout, Arlene Van Buren, and several others.

It is the purpose of these "get-togethers" to encourage fair play and good spirit among the girls. Several others of its kind have been held this year.

Highland High is returning a visit paid to them last spring when the local girls' group traveled to the southern Uster school for a softball contest, but the local group hopes to redeem itself in the basketball game tomorrow afternoon.

## Card Parties Workmen's Circle

## Myron Van Buren Weds Helen M. Coglianese

Miss Helen Marie Coglianese, daughter of Mrs. Boniface Coglianese, West Bridge street, Catskill, and the late Mr. Coglianese, was united in marriage to Myron Van Buren, son of Mr. and Mrs. Myron Van Buren of 22 Deerpark street, Sunday at 12:30 p. m. The ceremony was performed at the rectory of St. Patrick's Church in Catskill by the Rev. John Wojtyla.

## Suppers—Food Sales

**Turkey Dinner**  
A turkey dinner will be served at Epworth Hall, Clinton Avenue Methodist Church under the auspices of the Men's Club and Willing Workers' Glass of the church Wednesday, March 12. There will be two servings: 5:30 and 6:30 p. m. Tickets may be secured from members of either organization. Children's tickets may be secured at the door the night of the dinner. Members and friends of the church are urged to attend.

## Lovely 'Homework'

A clever adaptation of that tried and true motto, "Home Sweet Home," Dainty filet crochet you'll enjoy doing, be proud to use.

## DeNardo-Papillo Wedding Announced

Mr. and Mrs. Joseph Papillo of 17 Grandview avenue announce the marriage of their daughter, Miss Rose Lucille Papillo, to Dominick DeNardo of New York City. The wedding took place in New York City February 21. Miss Katherine Papillo, sister of the bride, was maid of honor. Joseph Papillo, cousin, was best man.

## Kingston Hospital Auxiliary Hears Reports of Dance

The regular meeting of Kingston Hospital Auxiliary was held at the Nurses Home Tuesday afternoon with Mrs. R. Frederic Chassey presiding. Mrs. Frederic Chassey, co-chairman of the recent Winter Dance, reported that the dance was a huge success. Mrs. Chassey expressed appreciation on behalf of the auxiliary to all who assisted with the dance.

## Trinity Young Women's Club

The Young Women's Club of Trinity Lutheran Church will meet at the Y.M.C.A. tonight at 7:30 o'clock for swimming and exercise.

MISS FREIDA BARBAROSSA

## Freida Barbarossa Is Engaged to Veteran

Mr. and Mrs. Anthony Barbarossa of the Brabant road announce the engagement of their daughter, Miss Freida Barbarossa, to Walter B. Whipple, Jr., son of Mr. and Mrs. Walter Whipple of 85 Cedar street. No date has been set for the wedding.

## C. S. Harris Marries Miss Audrey Alcock

The marriage of Miss Audrey Alcock, daughter of Mr. and Mrs. Alcock of Walden to Carlisle S. Harris, son of Mr. and Mrs. Walter Harris of Wallkill, was performed Sunday noon at the Walden Methodist Church by the Rev. Edward Wahl. The altar was decorated with evergreens, white gladioli and snapdragons. The organ prelude and solos were by Mrs. Ruth Hurd of Walden.

## Alice Muller Is Wed To Ulysses Van Aken

Miss Alice E. M. Muller, daughter of Mr. and Mrs. George Muller of Malden, was married to Ulysses Van Aken, son of Mr. Bertha Van Aken also of Malden Sunday afternoon at the parsonage of St. John's Methodist Church, Malden. The Rev. Milton H. Ryan performed the ceremony.

## Perpetua-Altamere

Saugerties, Feb. 27—John Perpetua and Miss Marie C. Altamere both of Glasco were married Saturday by Police Justice Charles Sickles at his home on First street.

Send TWENTY cents in coins for this pattern to The Kingston Daily Freeman, 73 Patten, Dept. 232 W. 18th street, New York 11, N. Y. Print plainly SIZE AND STYLE NUMBER, YOUR NAME ADDRESS ZONE.

The Marian Martin Spring Pattern Book is now ready. It's yours for fifteen cents. Full of smart styles for the family plus FREE pattern for the new "bag-on-a-belt" printed right inside the book.

## Good Taste Today

By Emily Post (Author of "Etiquette," "Children Are People," etc.)

## FORMAL CARD-LEAVING OCCASION

The following letter presents a social picture that has not been asked about since prewar days. "Should an invitation to a formal coming-out tea for a debutante be answered, particularly when I am planning to go? The hostess is a stranger to me. Our husbands are great business friends and it is for this reason my husband wants me to go. (Undoubtedly, for this reason I have been invited) though it seems to me very unlikely that they will remember me or that I was there!"

Under these circumstances it might be well to send an acceptance, although none is required unless R.s.v.p. is included in the invitation. To make sure that the hostess will know you were there, you leave two visiting cards of your own (one for the hostess and one for the daughter) and even though your husband is not with you, you leave three of his cards (one for the hostess and the daughter) on the hall table when you enter.

## A Message to New Parents

Dear Mrs. Post: When sending a congratulatory card for a new baby, addressed to the hospital, should this be addressed to Mrs. or to Mr. and Mrs.?

Answer: Although it is true "Mrs." is the patient in the hospital, a card addressed to Mr. and Mrs. is correct.

"Yes" and "No" to a Man's Hat  
Dear Mrs. Post: Will you please tell me whether a man is supposed to take off his hat when he goes into a store?

Answer: No, not on the ground floor or at any corner. Should he be seated in a "salon," he would be expected to take it off, because

these surroundings are those of a room rather than a passageway. All Are Cousins  
Dear Mrs. Post: What relation are my children to my first cousins? How should my children address different varieties of cousins?  
Answer: They are first cousins once removed. Cousins of all degrees should be called "Cousins" unless they themselves prefer to be called Jane and Harry.

Correct forms for letter writing are found in Mrs. Post's book, "The Etiquette of Letter Writing," obtainable for 10 cents in coin and a three-cent stamped self-addressed envelope sent to The Kingston Daily Freeman, P. O. Box 99, Kingston, N. Y. (Released by The Bell Syndicate, Inc.)

**Countess Forfeits Huge Sum to Wed American**

London, Feb. 27 (AP)—The engagement of Leonora Margaret, Countess of Incheape, eldest daughter of Sir Charles Vyner Brooke, former White Rajah of Sarawak, and Col. Francis P. Vyner, of the U. S. Army, was announced here today.

The Countess, who was known to her father's subjects in northern Borneo as "Princess Gold," bears a resemblance to a fair-haired, blonde widow of 30, who in 1939 by her late husband, the second Earl of Incheape, she remarried.

Her father announced three weeks ago that he was abdicating and that Sarawak was being ceded to Great Britain as a crown colony.

Countess Vyner, whose home is in Northfield, Vt., has been in Europe since 1942 and is now stationed at Oberammergau. He said the marriage would take place at Marlborough Town Hall on March 1.

**DIED**

**CHAMBERS**—In this city February 24, 1946, Alexander Chambers, son of the late George and Irene Chambers and brother of Miss Ella E. Chambers, of Kingston and William Chambers of Union Grove, N. Y.

**Spain Quickly Second Motion**

**Closes French Frontier in Retaliation to French Move of Tuesday**

Madrid, Feb. 27 (AP)—Spanish authorities were reported authoritatively from Barcelona today to have closed the French-Spanish border at Port Bou near the Mediterranean coast.

Neither trains nor persons were allowed to cross the frontier.

The French government announced yesterday the closing of the frontier on their side, effective March 1.

Morning newspapers in Madrid printed their first complete accounts today, telling of the French action and of French efforts to get the United States and Great Britain to sever relations with Spain.

The papers also carried long editorials denouncing French Communists and Soviet Russia. The Catholic newspaper Ya said Spain had declined the "unmeasured and rapacious appetite that encourages from afar the gang of traitors to their country who elevated themselves to the bosom of France's government doing all possible to facilitate Stalin's projected embrace of Europe."

**Local Death Record**

Woodstock, Feb. 27—Mrs. Betty Rudwall of Zena, aunt of Mrs. Harold Smith, died here Monday. Her funeral will be held from the Lasher Funeral Home, Thursday at 2:30 p. m. The Rev. Olney E. Cook will conduct religious services. Burial will be private.

The funeral of Alexander (Alber) Weiss of Green street, Port Ewen, was held from the Henry J. Bruck Home for Funerals, 27 Smith avenue, Tuesday afternoon at 2:30 o'clock with the Rev. George Berens, pastor of the Port Ewen Reformed Church officiating. The body was temporarily placed in the Riverside cemetery vault in Port Ewen where the Rev. Mr. Berens gave the committal.

The funeral of Paul Vignoli of Port Ewen was held from the Henry J. Bruck Home for Funerals, 27 Smith avenue, Tuesday morning at 8:30 o'clock and thence to St. Mary's Church where a requiem Mass was offered by the Rev. John A. Flaherty. Monday evening Father Flaherty called and led those assembled in the recitation of the Rosary. Burial was in the Calvary cemetery, New York city. Bearers were Anthony Quattrone, Richard Passerelli, Louis Gilyardi, John Fabiano, John Mino and Aldo Belli.

Senator W. Dean Hays of 110 Fair street, died at the Kingston Hospital Tuesday evening following a long illness. Several weeks ago Senator Hays contracted the flu which was later followed by a stroke.

Banker and served the State of Washington as senator for 12 years. Besides his wife, Mrs. Kathryn Boice Hays, he is survived by two daughters, Mrs. Blending Bickel and Mrs. Margaret Pekor, the latter by her former wife, and both of Ventura, Calif.; a brother, Judge Robert E. Lee Hays of Parkersburg, W. Va., and a sister, Miss Mattie Hays of Elkins, W. Va. Funeral will be held from the late residence Friday afternoon at 1:30 o'clock. Burial will be in the family plot in Wiltwyck cemetery. Fraternally Senator Hays was a member of Saint John Lodge 92, F. & A. M. of Harden, Mont.; of Affli Temple, A.A.O.N.M.S., of Tacoma, Wash.; and of Hayden Consistory, 4, of Olympia, Wash. He also was a member of St. John's Episcopal Church of Tacoma, Wash., Kingston Lodge 10, F. & A. M., who will hold ritualistic services at the residence Thursday evening at 8 o'clock.

**Cut German Rations**

Herford, Germany, Feb. 27 (AP)—British authorities today ordered German rations cut to 1,014 calories daily starting March 4, explaining that existing food supplies were insufficient to maintain the present scale of 1,500 calories until the next harvest.

**Iran-Soviet Progress**

Moscow, Feb. 27 (AP)—An Iranian source connected with current Iranian-Soviet negotiations in Moscow said today that progress had been made in the talks but there were matters which have not yet been settled. He said the conversations are continuing.

**GI Brides in Paris**

Paris, Feb. 27 (AP)—Thirty-nine Belgian brides of American soldiers and a three-month-old baby have arrived in Paris, vanguard of the first shipment of G. I. wives from the low countries en route to the United States.

**CARD OF THANKS**

We sincerely express our thanks and appreciation to those who were so kind during the illness and at the time of the death of husband and father, Henry Stangel, also those who sent floral offerings and cards, especially the Trinity Lutheran Men's Club and the Lutheran Men's League.

Signed  
MRS. HENRY STINGEL and Son, HAROLD.

**Fugitive Missing 5 Years Identified in Chicago**

Chicago, Feb. 27 (AP)—Police Capt. Jerry Looney said today a hotel house detective identified a man held without charge as Daniel J. Leary, former comptroller of Waterbury, Conn., who disappeared five years ago as he was about to begin a 10 to 15 year sentence for fraud.

The detective, Jack Tierney of the Drake Hotel, viewed the man held under the name of James Donovan, 52, a Chicago salesman, and said he was positive it was Leary, Captain Looney said.

Tierney said he went to school with Leary in Waterbury and last saw him in 1940 when Tierney went to Waterbury to attend the funeral of his mother.

**Dam Builder Dies**

Reading, Calif., Feb. 27 (AP)—Frank T. Crowe, 63, who supervised the building of 19 dams, including the Great Boulder and Siasta dams, died last night.

**Fine Fits the Puff The Lady Insists**

New York, Feb. 27 (AP)—Mrs. Frances W. Lehigh, Brooklyn's only woman magistrate, has a sliding scale to fit the punishment for persons charged with smoking on subways.

She put it into effect when 33 men and women appeared before her in Flatbush Court yesterday. Cigarette devotees drew a \$2 fine, cigar smokers, \$3, and pipe smokers, \$4.

Tersely, she explained the scale: "All three were obnoxious" on subways. Cigarettes rated the comparative degree of "least," cigars "more," and pipes "most."

Only one defendant objected. He protested he was a creature of habit. But he paid the \$3 stogy tribute.

The judge? She doesn't smoke.

**Must View Atomic Energy as Weapon Groves Declares**

Washington, Feb. 27 (AP)—Major Gen. Leslie Groves told Senators today legislation to control atomic energy should be shaped with the idea that the new power will be used primarily as a military weapon.

The chief of the Army's "Manhattan District Project," which developed the atom bomb, expressed belief atomic energy would be devoted chiefly to military uses "at least until we know there isn't going to be any more war."

Emphasizing that he was voicing personal views and not those of the War Department, he expressed doubt that the world might attain a condition of "stable peace." In response to questions of Senator Milliken (D-Colo.), he commented:

"I do not believe that we shall ever shift to a state where we shall ever make sure there will be no war."

He noted, however, the efforts of the United Nations to reach that goal.

He appeared before a special Senate committee studying legislation to set up an atomic energy commission.

At the outset, he reiterated previous statements that he knew of no defense against the a-bomb.

**Russians Clamp Muzzle on Press**

**Radio and Press Reporters Placed on Wartime Basis in Soviet**

Moscow, Feb. 27 (AP)—News dispatches and radio commentaries from Russia will be censored effective March 1 by the Administration for Affairs of Literature and Publication, the authority which supervises the Soviet press and radio and is known as "Glavit."

Dispatches written in Russia for publication abroad thus will undergo the same censorship authority as material written for internal consumption in Russia. Before and during the war, all foreign correspondence was censored by the press department of the Foreign Office.

The Associated Press was informed that telegrams should be submitted as now in two copies, one for transmission and one for censorship.

The foreign office will continue to be the authority to which foreign correspondents are accredited. Interviews, trips and other facilities to foreign newspapermen will continue under the jurisdiction of the press department of the foreign office.

**The Joiners**

**News of Interest to Fraternal Organizations**

A regular meeting of Atharacton Rebekah Lodge will be held Thursday evening at Mechanics Hall, 14 Henry street, at 8 o'clock.

The Ladies Helping Hand Society will meet in the lodge rooms, corner Broadway and Brewster street Thursday afternoon at 2 o'clock.

Rip Van Winkle Triangle, 81, invites all members of the Eastern Star and Master Masons to attend its meeting at 8 p. m. Thursday. Master Mason's and Eastern Star's night will be observed. Guest speaker for the evening will be Alice Scardefield. Entertainment will include magician, Fred Van Deusen; pianist, Robert Wolfenstein; and baritone, Herman Schwenk.

**New York City Grocery Strike Is Settled**

New York, Feb. 27 (AP)—The month-old strike of members of Local 138 A.F.L. Teamsters Union against 52 wholesale grocers in New York city formally ended last night with the signing of contracts by the union, the greater New York wholesale grocers, and two wholesale food concerns.

The walkout had tied up deliveries to retail stores. Approximately 800 drivers, helpers and warehousemen will receive wage increases of 15 cents an hour under the agreements.

Frederick H. Bullen, executive secretary of the State Mediation and Conciliation Commission, brought drivers' salary up to \$1.25 an hour and increased the pay of helpers and warehousemen to \$1.16 an hour.

**Financial and Commercial**

New York, Feb. 27 (AP)—Support came into the stock market today to send a wide list of leaders ahead fractions to three points but the movement was nervous and some gains were trimmed.

Belief that the list was entitled to a technical comeback after the sharpest break in eight years, and presence of idle money in many accounts following recent profit-taking, were credited by brokers with producing a measure of demand for offerings.

Near the fourth hour a number of leaders sold below their top levels, and some fractional losses appeared.

Steels, metals, rubbers and utilities provided principal support for the advance. Prominent on the upswing were American Telephone, Union Carbide, du Pont, Standard Oil (New Jersey), Bethlehem, F. Goodrich, Goodyear, Chrysler, American Smelting, Kennecott and General Electric. Philip Morris touched a new low at one time, and others on the offside at times included J. I. Case, Santa Fe and Air Reduction.

Bonds were steady and commodities higher.

Quotations by Morgan Davis & Co., members of the New York Stock Exchange, 60 Beaver street, New York city, branch office, 43 Main street, R. B. Osterhoudt, manager.

**Sen. Tobey Predicts Surprise "Break" in Pauley Deadlock**

Washington, Feb. 27 (AP)—In a surprise move, Senator Tobey (R-N.H.) gained a postponement until afternoon of this morning's Naval Committee hearing on the nomination of Edwin W. Pauley as Undersecretary of the Navy.

"I am quite sure the net result will be a saving of time," the New Englander told the committee.

Tobey has been the chief cross-examiner of the California oil man during the more than three weeks of hearings.

Pauley told reporters he would not move to have his name withdrawn. Only yesterday President Truman again reiterated his support of Pauley.

A responsible member of the committee, who declined to permit use of his name, said there was a possibility of "a break" in the lengthy dispute today.

**Kingston Coal Situation Is Tight, Check on Dealers Shows**

Continued from Page One

found in numerous instances, with householders asking for coal when already they had on hand from one to as much as four tons. He understood that some dealers had no anthracite on hand at the present time.

A shortage of coal in communities outside of Kingston was reported, with dealers making requests for supplies which could not be filled. Among localities mentioned were Woodstock, Shandaken, West Hurley, Lake Katrine, Accord, Plattekill and others.

Another dealer stated that at present he had nothing of consequence on hand except soft coal. Some stove and egg coal was received first of the week but most of that already was accounted for.

In another instance the dealer questioned said that he had no stove coal, but might be able to deliver some clunknut within a few days. In addition to being short of coal he was hampered by a breakdown of a large delivery truck.

The shortage in receipt of expected supplies was emphasized by one dealer, who said that instead of receiving 80 per cent of the amount used in former years his receipts were nearer 60 per cent.

**New York City Produce Market**

**Suggest Super Man As G.O.P. Chairman**

Washington, Feb. 27 (AP)—Selection of some nationally known business executive who also is a super salesman, as the next Republican National Committee Chairman, was suggested today by Rep. Arnold (R-Mo.).

This executive should be chosen, Arnold said, with the understanding that if the G.O.P. under his leadership gains a majority in the House next November, he will be named as the party nominee for President in 1948.

"But there also should be an understanding that if the party organization, under his leadership, fails to get a Republican majority next November, he will be fired," Arnold told a reporter.

Present G.O.P. Chairman Herbert Brownell, Jr., has announced that he plans to resign April 1.

**Resume Parleys**

Stamford, Conn., Feb. 27 (AP)—Representatives of labor and management sat down with Deputy Labor Commissioner William C. Ennis here today in a renewed effort to terminate a strike of A.F.L.-organized machinists that has kept 3,300 employees of the Yale & Towne Manufacturing Company idle since November 7.

**Bunce Brothers Sentenced Today In County Court**

Continued from Page One

not join in the leniency plea. Bunce said he had been in the service for 2 1/2 years. His sentence was for an indeterminate term as a second offender.

Frank Bunce, 23, who was also indicted for robbery, assault and grand larceny, in connection with the same offense on February 11, pleaded guilty to a charge of a firearm in violation of Section 1897, Sub-division 4. Bunce was also represented by Louis Bruhn. Frank served five years in the armed forces, 23 months of which was in the Pacific theatre. The Court imposed a six months jail sentence. The other charges were dismissed.

"I told him I would take it under advisement," Pauley said, "but I have concluded otherwise."

Pauley told reporters he would have a statement when the committee assembled again this afternoon. He did not indicate its nature.

**Gasoline Fumes In Cellars Traced To Station Tanks**

Continued from Page One

excavating the ground around the tanks when air pressure tests were made which showed that three of the tanks were seeping gas.

All day yesterday the men of the Public Works Board flushed the sewers, and left the manholes covers off last night, placing watchmen on guard to prevent traffic accidents.

**Chief Gives Warning**

Fire Chief Murphy issued a warning that it would not be safe to throw a lighted match in the open manholes as it was liable to cause an explosion.

The fire chief expressed his appreciation of the work done by the Tidewater Co. in assisting in locating the source of the fumes. He said that the old tanks were being taken out and would be replaced by new ones.

Fire Chief Murphy said that the first intimation received by the fire department of gas fumes in the cellars of the houses in the vicinity of the gas station were received by householders on Hurley avenue, near Washington avenue.

He pointed out that while the source of the trouble had been located and remedied that undoubtedly the odor of gas would still be perceptible in the houses in the area for some time, until the fumes had evaporated from the ground.

**Recover Bodies of Two Drowned Guardsmen**

New York, Feb. 27 (AP)—The Coast Guard announced today recovery of the bodies of two of three Coast Guardsmen lost February 21 when a picket boat sank in Long Island Sound while on a rescue mission.

The two bodies were found yesterday, the Coast Guard said, at West Meadow Beach, Smithtown Bay, on the north shore of Long Island. The body of the third man was found last Saturday.

The bodies found yesterday were identified by the Coast Guard as Louis A. Fera, 24, a second class machinist mate, of 1424 Leasington avenue, Oneida, N. Y., and Herbert C. Winter, 18, second class seaman, (27 Raleigh Road) of Belmont, Mass.

The third Coast Guardsman lost was Robert W. Joyce, first class boatswain's mate, of Huntington, N. Y.

## New Chemical Is More Deadly on Flies Than DDT

Cremulson relieves promptly because it goes right to the seat of the trouble to help loosen and expel germ laden phlegm, and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes. Tell your druggist to sell you a bottle of Cremulson with the understanding you must like the way it quickly silences the cough or you are to have your money back.

## Sellout Crowd Is Indicated For Ferraro-Sparando Match

### Better Bowling By Billy Sixty

Reserve Seats Will Be Sold Only for Three Blocks; Seating Space Is Limited

Reserved seats for the Johnny Ferraro-Tony Sparando \$1,000 match will be sold only for all three blocks, it was announced today.

Persons who purchase a ticket for three blocks will have top priority in the limited number of duet sales.

Early indications are that the Central Recreation will be jammed for every block of the match, but seating facilities are such that only a limited number of reserved duets can be sold in advance.

In order to provide maximum seating capacity for the final blocks on March 17, the 30-game series will open on alleys 7 and 8 Saturday night, March 16 at 9 o'clock. With this arrangement, double bleachers will be available for the concluding blocks on Sunday.

Charlie Tiano, who is promoting the match, announces that orders for tickets will be taken at the Central Recreation alleys. The reserved seats will be disposed of on first-come, first-served basis.

The price of tickets is published elsewhere in an advertisement in today's Freeman.

## 'Y' Five Defeats Chatham, 57-47; Juniors Stopped

Coch Lou Schaffer's Y.M.C.A. basketball team gained an even split in Monday's double-header in Chatham when the juniors suffered a 54-51 defeat and the varsity scrambled to a 57 to 47 victory.

In the preliminary tussle Chatham took a 29-20 lead in the first two periods of play and managed to protect itself against a Kingston uprising in the first half. It was the team's first loss in 19 games. Barnes was high scorer in the game with 19 markers. Perry flipped in 12 and Rowland came through with 11. Passetta of Chatham scored 13.

Another closely-fought battle occurred in the main attraction. After two sessions the score was knotted at 16-all. Then in the final stages the "Y" basketballers started moving and quickly put the game on "ice." Al Thomas, who drilled the nets for 13 points, and Kelsie, paced Kingston to that victory. Smith was high for Chatham with 15 markers.

THREE SCHOOLS ACCEPT

Glens Falls, N. Y., Feb. 27 (AP)—Three high schools now have accepted invitations to compete in the 24th Eastern States Basketball Tournament, Woodbury Forest Preparatory School of Orange, Va., telegraphed acceptance of a bid yesterday for the event which will be held here March 28, 29 and 30. Other entries so far are LaSalle Military Academy, Oakdale, L. I., defending champion, and Holyoke, Mass., high school.

## War Experience Is Likely To Aid Baseball Careers

Ott and McCarthy Are Satisfied With Early Showing of Their Ex-G.I. Players

Miami, Fla., Feb. 27 (AP)—Those who have been worrying about whether ball players returning from the service would be able to resume their diamond careers without great loss of efficiency can begin to relax. Most of the boys are going to do all right.

The observation is a considered one, arrived at after a fortnight of watching the veterans return to training under the Florida and Panama teams and talking with many of them and their managers. The latter, especially Joe McCarthy of the Yankees and Mel Ott of the Giants, both of whom got exceptionally early starts, are about ready to concede that their fears were groundless.

For one thing, the men who were carrying guns and flipping planes about this time a year ago have thrown themselves into training with a studied seriousness that other spring ever witnessed. They have worked harder than any other men in the camps. Many of them began preliminary training months ago.

Mize Looks Great

Some of them—a specific example being Johnny Mize of the Giants—are in as good or better physical shape already than they were when they entered the service. Mize is about 25 points trimmer than he was in 1942 and looks great. Little Phil Rizzuto, the Yank shortstop, already is doing such a dervish act that he will be made an honorary citizen of Panama any day now.

If anything, the war experience is likely to add several years to a lot of big league careers, observed Buddy Hassett of the Yankees, himself a returnee. "While they were in uniform they had plenty of time to realize how nice it was to play ball for a living and how important it was to keep themselves in shape. From now on watch them obey the rules."

Manager Ott of the Giants fully agreed, saying he already had detected a difference. He mentioned a player or two, before the war, had been known to color the Florida night, but who had suddenly become ardent drinkers of orange juice and devotees of the simple life.

I haven't any doubt that most of my veterans are going to step right back into their jobs and do all right," Ott said. "That is, the ones who still were in their prime when they left. Of course, the ones who are up around 35-37 now are going to find it tough to win."

consider that they would have been in the same position if there hadn't been a war."

Joe DiMaggio of the Yanks, to take an outstanding example of the returning star, looks just about like he did in his last season, 1942, when he made 186 hits for 304 bases. There appears to be the same explosive power at the plate and the same smooth grace in the outfield.

IN ONE of the Yanks' first inter-squad games he smashed over the fence declared to have been the longest homer ever hit out of the Bayside Stadium, and he has of the best pitching in the current series of exhibition games. It is not bad pitching, either, for the Panama boys are professionals and they are just winding up a six-months season.

"It's good to find out that the old power is still there," Joe said. "I don't suppose my batting eye is quite right yet, but I think it will come around."

Joe Gordon, who before the war ranked with the greatest of second basemen in field skill, has been a little slower regaining his form. He can't yet move quite the way he once did, and in comparison to his scamping team-mate Rizzuto, he possibly looks a little dull to the Panamanians. Gordon is not worried, however, and neither are the Yankees. Joe at a little less than his best still would be a welcome addition to any club.

MOSECONI PACES CARAS

Buffalo, N. Y., Feb. 27 (AP)—Defending champion Willie Mosconi of Barrington, N. J., led challenger Jimmy Caras of Philadelphia 3,810 points to 3,073 today in their cross-country world pocket billiard championship title match. Mosconi defeated Caras 125-56 last night in the 36th of their 80 block match.

Salem, Mass.—Tommy Greb, 129, Boston, outpointed Tony Roberts, 123½, Winnipeg, Man., (10). Johnny Mara, 155, Boston, was disqualified for kicking Frank Young, 152, New Bedford, in the sixth and final round.

HOOPER LEADS CATCH

Miami, Fla., Feb. 27 (AP)—Former President Herbert Hoover held the lead in the bone fishing division of the annual \$10,000 Miami Metropolitan Fishing Tournament today. The only living former President landed a 10-pound, three-ounce bone fish yesterday, using rod and reel with nine thread line, in the Florida Keys where he is fishing from a yacht which he chartered.

Houston, Tex.—Tony Zale, Gary, Ind., knocked out Bobby Claus, Buffalo, N. Y., (4) (weights unavailable).

Florence E. Althiser of Saugerties to Thomas M. and Lucy E. McCann of Saugerties, land in town Saugerties.

**February Milk Pool Brings Record Prices**

New York, Feb. 27 (AP)—Dr. C. J. Blanford, New York metropolitan milk market administrator, predicted today a record uniform price of \$3.55 per hundredweight for February milk deliveries to pool plants in the six-state milk shed.

The anticipated price will be the highest ever paid for February milk, Blanford said in a statement, adding that the forecast included a butterfat differential of 46 cents for each tenth of a point of fat in excess of the 3.5 requirement.

Comprising the district are New York, New Jersey, Pennsylvania, Connecticut, Massachusetts, and Vermont.

**War Department Agrees To Hear Hieswa Family**

Washington, Feb. 27 (AP)—The War Department has agreed to hear relatives and friends of P.F.C. Joseph E. Hieswa in its review of the young New Jersey soldier's death sentence in Japan. Rep. Towse (R-N.J.) said today. The hearing tentatively is set for 2 p. m., (E.S.T.) March 2, in the Pentagon Building.

Hieswa, 20-year-old soldier from Wallington, N. J., is under death sentence for the slaying of two Japanese civilians in the Japanese city of Nara last November 24, the night before he was to have started preparations for returning home on re-enlistment furlough.

**CHICKENS PAY TAXES**

A wily tax collector in the Kwangtung Province of China has an ingenious method of collecting revenue, Chungking reports. To each peasant he delivers a young chicken worth about 20 cents. When the birds have grown enough to be worth 80 cents they must be returned to the tax collector. He then sells the chickens, deducts his salary from the profits and forwards the balance to the treasury.

## Rosendale Red Cross Drive Committee

Freeman Photo

## Rosendale Red Cross Group Maps Plan for Quota Drive

"The war is over—but not for the American Red Cross," Mrs. Joseph Craig, secretary of the Ulster County Red Cross, told a meeting of workers of the town of Rosendale, last night at the Valley Inn in Rosendale.

Plans were mapped for the Rosendale drive to raise the town's quota of \$700. Ulster county's quota for the 1946 campaign is \$46,000.

"The Red Cross has a very definite role in the postwar period," Mrs. Craig continued. "There are still hundreds of thousands of young men in service overseas, in hospitals, recuperation centers and

in remote areas who are aided greatly by Red Cross activities. These functions must be financed and annual drive for funds is the only medium."

**Mollenhauer Chairman**  
Henry Mollenhauer, chairman of the Red Cross drive for the town of Rosendale, gave a short talk introducing Mrs. Craig. Mrs. Hubert Service, director of the Red Cross of the Ulster County Chapter, also was introduced.

Frank Connell, who has just been discharged from the army after 3½ years' service, stated that the Rosendale basketball team would put on a benefit game

decorated with red, white and blue candles and crepe paper. After the dinner a fine program was given which had been arranged by Clifford Hotelling consisting of community singing led by Fred Almack with Mrs. George Boyce at the piano. There was also a talk by Lee Hammer, reading by Mrs. William Powell Jr. and Stanley Miller and John Powell returned service men told of some of their experiences during the war. A quartet consisting of Fred Almack, Stanley, Richard and Robert Miller rendered a selection. The program closed with all singing the Star Spangled Banner. The kitchen committee consisted of Gerov Schoonmaker chairman; assistants, Edgar Evans, C. Edward Thorne, Elmer Fries, George Eckert, Crosby J. Wilkin, J. W. Tyssie and Lawrence Dolan. Dining room committee was Fred Heidt, chairman; N. T. Cocks and Lee Hammer. Several of the young men of the congregation acted as waiters.

There will be regular preaching services in the church next Sunday at 11 o'clock and Sunday school at 10:15. Everyone is most cordially invited to attend. Union Lenten service begins on Sunday, March 3, at 8 p. m. A community class for young people who wish to unite with the church on confession of faith is held in the parsonage each Sunday during the Sunday school hour. Those who wish to unite by letter are requested to speak to the pastor.

**Charge Jap Officer With Death of 1,000**  
Tokyo, Feb. 27 (AP)—Lt. Gen. Shiyoku Kou was charged by Allied headquarters today with responsibility for the deaths of approximately 1,000 American prisoners who were being transferred from the Philippines to Japan, and for the massacre of 143 others in 1944.

The charges were forwarded to Lt. Gen. Wilhelm D. Styer, commanding general of Western Pacific Army forces in Manila for early trial. It took 14 typewritten, legal-size papers to recite the Allied accusations against the former commander of prisoners of war and civilian internment camps in the Philippines.

Kou, also known as Ko and who may be a Korean, is held at New Bilibid prison on Luzon.

Use a dust cloth or dusting mit in each hand to get the dusting chore done in half the time.

The goldfinch sings as it flies.

water; George Kraft, Binnewater; Mrs. Floyd Exors, Bloomington; Mrs. Irene Yunker, Bloomington; Mr. and Mrs. William Meier, Rosendale; Miss June Freer, Binnewater; Miss Susan Hornaker, Rosendale; Walter Williams, Rosendale; Miss Evelyn Fagher, Whiteport; Mrs. J. Gallagher, Tillson; Mrs. S. Krom, Rosendale; Mrs. Betty Phillips, Tillson; Mrs. Grace Hicks, Rosendale; Mrs. Edna Beach, Tillson; Mrs. Ralph Burger, High Falls.

**Poignant Last Letters Reveal Courage of Doolittle Fliers**

Tokyo, Feb. 27 (AP)—George Thomas Folster, N.B.C. correspondent, said today that three of General Doolittle's fliers wrote words of encouragement to their families only 24 hours before they were executed by the Japanese in China.

Folster said he obtained from Japanese files marked "extreme secrecy, military affairs," copies of the letters and wills written in October, 1942, by Lt. William G. Farrow, Darlington, S. C.; Lt. Dean E. Hallmark, Dallas, and Sgt. Robert Spatz, Lebo, Kas.

Members of the Doolittle party that raided Tokyo April 18, 1942, from the carrier Hornet, the three crashed landed in China, and were captured and executed. Other captured fliers were saved by personal intervention of the Emperor.

Folster said Farrow wrote: "You told me once to complete the good life you started as a missionary. I am unable to do so. Goodbye to all of you. I'm sorry it had to happen this way. Chin up, and help mom, will you?"

**Poignant Farewells**  
"I will say my last goodbye to you. My personal property consists of my clothes. If I have inherited anything since I became of age, I will give it to you. I want you to know that I love you—and God bless you," Spatz wrote.

Hallmark wrote: "It still seems that I am in a dream and can't believe what is happening. Mother, you try to stand up under this—and pray. Well, I will close now and not write any more. I do not know how to end this letter, but will

end it by sending you all of my love."

There was no indication whether the letters ever were delivered to the persons to whom they were addressed. Folster gave no indication of the addresses except "members of their families."

The three men were executed October 15, 1942, at Kiangwan, China, by a firing squad after a farcical court-martial. Japanese accused of that crime are scheduled to be tried in Shanghai soon.

**GAME "CAZAR" WANTED**  
A "kingdom" 8,000 miles square will need a ruler, after April, 1946, when the curator of South Africa's Game reserve retires, Cape Horn reports. He is Col. W. Stevenson Hamilton who has been "Czar," first of the Sabi Game Reserve and later of Kruger National Park, into which it developed. The curator also controls a state of European and Bantu rangers and various kraals and welcome the 30,000 tourists who normally visit the national playground. The Union is looking for a successor.

**ALUMINUM SCREENS**  
combined with fuel-saving storm windows for next winter.

FEATHERLIGHT NO PAINTING NO RUST, NO STAIN CAN'T WARP

When you buy screens now, look ahead to next winter... and the years to come. An "Orange Aluminum All-Weather Window" combines summer screens and winter storm panes that fit a permanently installed frame. You can switch from winter to summer in seconds.

All changes are made comfortably and safely from inside the house. Featherlight aluminum screens. Dust-free ventilation. Good looking, precision made. Save storage space. Winter panes easily removed for washing. Convenient budget plan available. See sample window in our showrooms or write today for free folder.

**EXPLOSION WRECKS WASHINGTON HOME**

Freemen go through the ruins of the home of Harry J. Gorty of 6109 Nevada avenue, N.W., at Washington, D. C., for possible victims of an explosion which wrecked the two-story home, smashing glass and nearby buildings and making a report heard a mile away. The cause of the explosion was not determined immediately. (AP Wirephoto.)

**Doyle A.W.O.L.**  
Thomas E. Doyle of 30 Summer street was arrested Tuesday by Officer Gerald Every on a charge of being A.W.O.L. from the U. S. Marines. He was held to await the arrival of the naval authorities.

**Clair Boy Bitten by Dog**  
Bruce Clair, 7, of 221 W. Chestnut street, was bitten on the face by a dog last evening according to a police report. The wound was treated by a physician.

**Why Thousands of Doctors Have Prescribed PERTUSSIN FOR BAD COUGHS**  
(CAUSED BY COLDS)  
PERTUSSIN must be good when thousands of Doctors have prescribed it for so many years. PERTUSSIN acts at once to relieve such coughing. It actually loosens phlegm and makes it easier to raise. Safe and effective for both old and young. Pleasant tasting, too!
